

COUNCIL TALKS INCREASING OF WARDS IN CITY

Proposal to Boost Total to Twenty-Two Up for Vote Monday.

Poll books of political parties will need revision, for voters in the spring primary will find themselves voting under new ward banners, if a city ordinance increasing Indianapolis wards from fifteen to twenty-two is passed by the city council.

The ordinance splitting up the larger wards, the ninth, the fourth, the third, and Washington township, will be introduced Monday night in the city council.

Democratic leaders say unwieldy wards will be eliminated by the ordinance's passage and keep the vote population in all ballot districts down to between 7,000 and 10,000.

Purpose Nonpartisan

Although the lopping off of ward territory is held to be nonpartisan in purpose, it is the declaration of some Republicans that it will benefit the Democrats in wards that normally have been Republican in the past.

Under state laws, the city council is authorized to set ward boundaries while the last legislature gave the county commissioners the right to establish precinct lines where the precincts are split by city boundary lines and county area.

The new ordinance proposes to split the Ninth ward almost equally and make its western section the Tenth ward. Irvington, east of Emerson avenue, will be the Eighteenth ward. The Fourth ward is split into the Fourth, Fifth, Sixth, and part of the Seventh wards.

Tenth Ward Divided

The old Tenth ward becomes the Sixteenth and Seventeenth. Ward thirteen is divided into part of the Fifteenth and the new Seventeenth.

The new thirteenth ward is composed of the old Eleventh and Twelfth wards.

The First ward becomes the First and Second while the Eighth ward remains the same, with the Seventh ward composed of the old Third and part of the old Fourth.

The new Twelfth ward is part of the old Fifteenth, all of the old Fifth and part of the old Sixth wards. The Fourteenth ward keeps the same boundaries. Wayne township in the city becomes the Nineteenth ward and Perry township in the city becomes Ward twenty-two.

Boundaries Fixed

The ordinance fixes the following boundaries for wards:

1. Massachusetts avenue, Emerson avenue, Thirty-fifth street and the Nickel Plate railroad.
2. Massachusetts avenue, the corporation line, Emerson avenue and Tenth street.
3. Nickel Plate railroad, Fall creek, Alabama street and Fifteenth street.

RILEY HOSPITAL, ORPHANAGE TO GET \$200,000

Agreement in Proctor Will Case Is Reached in Danville Trial.

By Times Special
DANVILLE, Nov. 2.—As a result of agreement reached in the James Proctor will case, two Indianapolis charitable organizations will receive \$200,000, and \$300,000 will be spent in building a home for elderly men and women at Indianapolis.

The \$200,000 will go to the James Whitcomb Riley hospital for children and the Indianapolis orphans' home.

Decree was entered in the contest case by Circuit Judge A. J. Stephenson after the agreement was announced by Paul G. Davis, one of the attorneys in the case.

The property was left by Mr. Proctor, former part owner of an Indianapolis department store, in trust to his widow, Mrs. Mary Jane Proctor.

In her will, Mrs. Proctor, who died in 1932, bequeathed the property in trust for the benefit, comfort and care of children, the trustees selecting the orphanage and Riley hospital as the beneficiaries.

FIX THAT COLD AND FIX IT RIGHT!

Don't Let It Take Root and Grow!

A cold neglected may be a cold regretted! Don't expose yourself to serious complications. Adopt a sensible treatment of colds. Remember, a cold is an internal infection and, as such, calls for internal treatment. Remember, too, a preparation good for half a dozen things besides colds can't be equally effective for colds. A cold calls for a COLD remedy!

Grove's Laxative Bromo Quinine is what a cold requires. It is expressly a cold remedy. It is internal and direct. It is complete in effect. It does the four things necessary.

First, it opens the bowels, gently but thoroughly. Second, it combats the cold germs in the system and reduces the fever. Third, it relieves the headache and grippy feeling.

Fourth, it tones the entire system and fortifies against further attack. Anything less than that is taking chances.

Grove's Laxative Bromo Quinine contains nothing harmful and is absolutely safe to take. For more than forty years it has been the standard cold and gripe tablet of the world, the formula always keeping pace with Modern Medicine. Every druggist sells Grove's Laxative Bromo Quinine, 30c and 50c. Good druggists won't try to talk you into a substitute for the sake of a few pennies extra profit.

When you feel a cold coming on, don't wait or delay or bother with makeshift methods, but go right to your druggist for Grove's Laxative Bromo Quinine. Always ask for it by full name and look for the letters L B Q stamped on every tablet.

Face Terrible with Hard, Red Pimples. Healed by Cuticura.

"My skin began to break out in pimples that were very sore and were hard and red. They came in blotches and itched like small boils. The itching was so bad I could hardly stand the bedding and some nights I could not sleep. In two weeks my face was terrible, much worse on my chin.

"This lasted about six weeks when I began using Cuticura Soap and Ointment, and I used about four cakes of Cuticura Soap and one box of Cuticura Ointment and I was healed." (Signed) Mrs. E. E. Davkin, 501 N. Maumee St., Tecumseh, Mich.
