STOP THAT COLD

DISTRESSING cold in chest or throat, that so often leads to something serious, generally eases up in five minutes when soothing, warming Musterole is applied. Rubbed in once every hour, relief usually follows in five hours.

Better than a mustard plaster, Musterole gets action because it's NOT just a salve. It's a "counter-irritant"—stimulating, penetrating, and helpful in drawing out pain and infection.

Used by millions for 25 years. Recommended by many doctors and nurses. All druggists. In three strengths: Regular Strength, Children's (mild), and Extra Strong. Radio: Tune in the "Voice of Experience," Columbia Network. See newspaper for time.

STOMACH UPSET

Get at the real cause. That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards Olive Tablets help arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, people rarely suffer from indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Try Olive Tablets, the substitute for calomel.

Dr. Edwards Olive Tablets are a purely vegetable compound. Know them by their olive color. They do the work without griping, cramps or pain. All druggists, 15c, 30c and 60c. Take one or two at bedtime for quick relief. Eat what you like.—Advertisement.

TAX PAYMENTS FLOOD OFFICE ON FINAL DAY

Cash Collections Heaviest on Record, Sexton Announces.

Tax collections flooded the office of the Marion county treasurer yesterday, final payment day, with \$72,000 in cash handled by Timothy P. Sexton and his treasury staff. Mr. Sexton said it was the largest amount of money collected in a single day by the treasurer's office. It exceeded by \$12,000 a heavy day before the stock market crash.

"The NRA is responsible for this showing. Many taxpayers have ob-

tained employment during the last few weeks and others have had their pay increased to enable them to pay their taxes," the county treasurer said.

The exact amount of taxes collected will not be known until the checks received by mail are listed. Mr. Sexton believes that the collection will exceed the spring period.

Urging that co-operation be given

Indianapolis Red Cross workers, William J. Mooney, active Red Cross volunteer and president of the Mooney-Mueller-Ward Company, said:

"This year of all years, the annual Roll Call of the Red Cross must not fail its goal. No organization has exceeded the Red Cross in the fight against the depression during the past year and this work must go on during the coming winter.

"Although the drive of the national government and allied agencies is making headway against unemployment, there still is much to do. In order that the Red Cross may present a strong front to the enemies cold, hunger and unemployment, every man, woman and child who can should buy a membership in the Red Cross."
