

## RAIL ELEVATION PLANS ARE SET BY CIVIC CLUBS

South Side Group to Seek Meeting With City Officials.

Conference with city officials will be sought by South Side Civic Clubs track elevation committee before the conference with Pennsylvania and New York Central officials Tuesday, it was decided at a meeting of the committee last night.

The conferences are in connection with the committee's project for elevating the belt railroad on the south and west sides. A loan and grant of \$6,000,000 is sought in a petition which has been filed with the Indiana advisory committee to the federal public works administration.

With the federal grant taking care of 30 per cent of the cost of the project, the city would be compelled to pay only \$1,428,000 of the total, the county spending \$672,000 and the

railroads \$2,100,000, it was pointed out last night by John P. White.

The city could retire its portion of the cost by means of a one and one-half cent tax rate over a period of twenty-five years.

The committee adopted a resolution asking the public service commission to reject all petitions to bring natural gas here except through the Citizens Gas Company or the city utility district.

## FACES MURDER CHARGE

Terre Haute Man Named by Woman in Deathbed Statement.

By Times Special

TERRE HAUTE, Nov. 9.—Charges of murder may be filed against Otis White, 46, held in the Vigo county jail, as result of death last night of Mrs. Laura Elizabeth Shane, 39, who was shot Oct. 26.

Police say Mrs. Shane, in a deathbed statement, named White as her assailant.

## Held on Robbery Charge

Robbery and grand larceny charges today were faced by Mike Hayes, 28, of 1224 English avenue, arrested yesterday by detectives, who said he was alleged to have accosted Walter C. Hixon, 1618 Prospect street, several days ago on the street, taking \$35 from him.

## LEGION TO AID RED CROSS IN MEMBER DRIVE

City Ex-Service Men Meet Monday at Antlers to Map Campaign.

The American Legion posts of Indianapolis will co-operate actively with the Red Cross in the latter's membership campaign now in progress, Captain Otto Ray, Twelfth district commander of the legion, announced yesterday.

A mass meeting of the district membership has been set for 8 Monday night at the Antlers to organize members of both the American Legion and the Forty and Eight for an intensive campaign.

"I hope every member of the American Legion who can possibly do so will attend the meeting next Monday," Captain Ray said. "Legionnaires should remember that the Red Cross does more than any other organization to help former service men."
