## Battle for City Crown

Tech, Shortridge Get Ready  
for Title Game at  
Perry Stadium.

With the city prep grid title depending on the outcome, Shortridge and Technical high school football teams will meet Friday at Perry stadium.

Originally the game was scheduled for the Shortridge athletic field, but the change to the baseball field was announced yesterday by Fred Gorman, Tech athletic director.

To Shortridge alone goes the chance for a clear city crown, but if Tech downs the Blue Devils, the laurels will rest in a three-way split between Shortridge, Tech and the winner of the Washington-Manual game Friday.

Tech's gridgers took an easy drill yesterday, with a short signal drill and limbering up exercises. The Techmen are in good physical condition.

The Blue Devils came out yesterday to practice punting and passing. Pack, an end, who was injured last week still was missing from the team last night.

The Continentals rehearsed new offensive tactics, and then went inside to sit through a blackboard drill.

Manual's practice session yesterday was made up largely of blocking and tackling drill. Constantino and Yovan, backs who did not play against Bloomington last week because of injuries, probably will be ready to start against Washington Friday.

All four schools finish their scheduled Friday.
