**Famed Ibsen Play to Be
Presented at Playhouse**

Irrington Group to Stage 'The Doll's House.' Starting Thanksgiving Night; Muriel Brown Is Director.

The Irrington Playhouse will present "The Doll's House," by Henrik Ibsen, on Thursday night, Nov. 30, and Friday and Saturday nights, Dec. 1 and 2, at 8:15 o'clock.

"The Doll's House," first presented in Copenhagen in 1879, has carried Ibsen's name to the most remote regions of civilization.

It was the forerunner of many of our modern plays written around the emancipation of women.

Nora Helmer's famous declaration of independence, and the slam of the door when she left her husband's house at the end of the play caused such a sensation that the audience remained in their seats when the play was over, waiting for the usual happy ending.

This play, which first brought Ibsen to the notice of the English speaking world, furnished, in the role of Nora, a part which has attracted the attention of many of the most famous actresses.

In 1883, it was played by Madame Modjeska. In Paris by Madame Rejane; in Italy by Elenora Duse. In England by Mrs. Richard Mansfield, and later in America by Minnie Maddern-Piske.

The part of Nora will be played in Irrington by Marjorie Chiles Ropkey, well known in Indianapolis for her work with the Civic Theater and the Irrington Dramatic Club.

The play is produced under the direction of Muriel Brown, the director of the Irrington Playhouse. The others in the cast are David Clarke, who plays Torvald Helmer; Niel Frestone in the role of Dr. Rank; Gladys J. White in the part of Mrs. Linden; and Elwyn Liverett in the part of Nils Krogstad.

And Now—Free Beer!

"Dance music is still the important thing in the amusement business," says Tom Divine of the Indiana Roof, "although local dancers have been schooled to choose the unusual in entertainment along with their dancing during the last six months."

Keeping pace with the times, Divine will turn host as well as manager of the Roof next Saturday night when he will feature an "Old Heidelberg Night."

Possibly one of the most appealing features of the "Old Heidelberg" stunt will be the distribution of free beer to everybody who attends the Roof Saturday night.

Games and stunts in keeping with the evening's title will add color to the affair.

The finals of a waltz contest will be staged on the Roof tonight. Eighteen couples, chosen at three preliminaries, will compete for silver loving cups and other prizes.

The contest will be judged on a free style basis by an unbiased group of persons.

**WASHDAY MAGIC BY
THE INDIANAPOLIS TIMES
HOME-MAKING EXPERT**

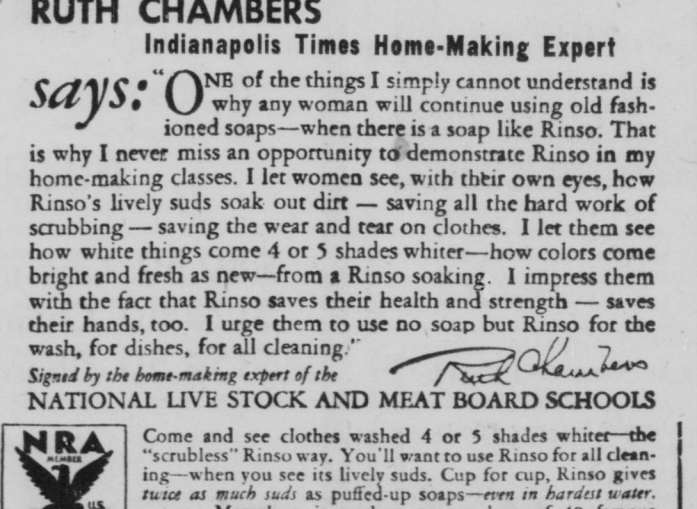

LADIES, I'M GOING TO SHOW YOU HOW TO GET CLOTHES 4 OR 5 SHADES WHITER, IN TUB OR WASHER—WITHOUT SCRUBBING OR BOILING

THE WHOLE SECRET IS IN THE SUDS, RINSO SUDS SOAK OUT DIRT—CLOTHES LAST 2 OR 3 TIMES LONGER. YOU CAN SAVE HUNDREDS OF DOLLARS ON CLOTHES THIS "SCRUBLESS" WAY

SEE HOW WHITE RINSO SOAKED THIS SHEET! COLORED THINGS COME BRIGHTER, TOO. RINSO IS JUST AS WONDERFUL FOR DISHES, LADIES—AND IT'S SO EASY ON THE HANDS

RUTH CHAMBERS
Indianapolis Times Home-Making Expert

says: "ONE of the things I simply cannot understand is why any woman will continue using old fashioned soaps—when there is a soap like Rinsol. That is why I never miss an opportunity to demonstrate Rinsol in my home-making classes. I let women see, with their own eyes, how Rinsol's lively suds soak out dirt—saving all the hard work of scrubbing—saving the wear and tear on clothes. I let them see how white things come 4 or 5 shades whiter—how colors come bright and fresh as new—from a Rinsol soaking. I impress them with the fact that Rinsol saves their health and strength—saves their hands, too. I urge them to use no soap but Rinsol for the wash, for dishes, for all cleaning."

Signed by the home-making expert of the NATIONAL LIVE STOCK AND MEAT BOARD SCHOOLS

Come and see clothes washed 4 or 5 shades whiter—the "scrubless" Rinsol way. You'll want to use Rinsol for all cleaning—when you see its lively suds. Cup for cup, Rinsol gives twice as much suds as puffed-up soaps—even in hardest water. Marvelous in washers, too; makers of 40 famous washers recommend it.
