## CHURCH SOCIAL NEEDS TOPIC OF DISCUSSION

City Pastor to Give Paper at Session of Federation.

General study of social needs and programs of churches will be discussed Monday at the Y. M. C. A. when a paper is read by the Rev. F. E. Schneider of the East Tenth Street Methodist church, before the Church Federation of Indianapolis.

Professor E. C. Cameron, head of department of practical theology at Butler university, will direct the discussion.

The East Tenth church, around which the discussion centers, is considered typical of city churches located in communities where population shifts with frequency.

A survey of church work in the city, made by Ross Sanderson of Baltimore, Md., is used for the basis of the present study by the federation.

Following the services breakfast will be served by the Women's Missionary Society under direction of Mrs. Tullie Meyer, president. Food donations will be received and distributed to the poor.

## FREEZONE —lagging appetite

There is a reasonable way to correct this condition. Pause and reason. You know that body weakness is frequently the result of a weak blood "picture"—lowering of the red blood-cells and their hemoglobin—that are so very necessary to strength and vitality.

Then why not try S.S.S.—the proven tonic for decades? Its value has been proved by extensive scientific research and by millions of happy users.

Take S.S.S. and note the way your strength and appetite are restored. Two convenient sizes at all drug stores—the larger size is more economical. Don't permit any one to "switch" you in your determination to restore your red-blood-cells and their hemoglobin content for regaining strength.

## Legion Auxiliary Opens National Parley Here

State Executives Outline Program for 1934 at 2-Day Session.

American Legion auxiliary heads from every state will attend the organization's annual presidents and secretaries conference at national headquarters in the War Memorial building today and tomorrow.

The auxiliary's program for 1934 will be outlined during the two days' sessions. Mrs. William H. Blester Jr., Philadelphia, national president, will preside.

The conference will open this morning with addresses by Mrs. Blester and Edward A. Hayes, national commander of the legion. Other national officers of the legion and auxiliary also will address the opening session, after which two of the organization's most important problems, legislation and rehabilitation, will be discussed.

Mrs. Blanche Robinson, East Chicago, president of Indiana's department, will speak on "Indiana's Success in Fidae" at this afternoon's session. The conference dinner will be held at the Indianapolis Athletic Club tonight. Mrs. William Glenn Suthers, Chicago, chairman of the national radio committee, is in charge of the program.

Discussion of national problems at tomorrow's session will be led by the Princess Catacuzene, the former Julia Grant, chairman of the national defense committee.

## BAR GROUP TO OCCUPY STOKES BUILDING SOON

Association to Pay \$80,000 for Meridian Street Structure.

The Stokes building, 224-226 North Meridian street, will be purchased by the Indianapolis Bar Association as the association's home, it was decided at a special meeting last night in the Columbia Club.

The five-story brick structure, with stone front, will be purchased from the Stokes Realty Company for \$80,000. The association plans to spend between \$17,000 and \$20,000 remodeling and modernizing the building, including cleaning, installing a new elevator, refinishing the interior, and other improvements.

It is planned to continue rental of the lower floor as a storeroom, to use the second floor as a law library and clubrooms, and to rent the three upper floors as offices.

The association was bequeathed funds for the purchase in the wills of Mrs. Susan W. Butler and her daughter, Mrs. Margaret Butler Snowden, as a memorial to Mrs. Butler's husband, Ovid Butler.

The decision to buy the building was based on a report of a committee, composed of Charles Remster, chairman; Fred C. Gause, Carl Wilde, Joseph J. Daniels and William L. Taylor, which inspected more than twenty downtown buildings before making a recommendation.

# IT TAKES HEALTHY NERVES TO BREAK RECORDS IN THE AIR!

HE FLEW AROUND THE WORLD ALONE! Wiley Post climbs out of the Winnie Mae at Floyd Bennett Field as the whole world applauds his skill and marvelous physical endurance. "Smoking Camels as I have for so long," says Post, "I never worry about healthy nerves—and I'm a constant smoker, too."

FLYING EIGHT DAYS AND NIGHTS without a stop, Frances Marsalis and Louise Thaden set the world's endurance flight record for women. Miss Thaden says, "For some years I've smoked Camels. They taste better." Also a Camel fan, Miss Marsalis says, "I've never changed because I can't afford to take chances with my nervous system."

RACING ACROSS AMERICA in 10 hours and 5½ minutes, Col. Roscoe Turner recently added a new West-East transcontinental speed record to the East-West record he won earlier this year. "Like most pilots I smoke a lot," says Col. Turner. "I smoke Camels for the sake of healthy nerves, and I enjoy them more."

SHE: Why is it that all you pilots smoke Camels, too? Is it because they're milder?  
HE: That's one way of putting it. You see, pilots smoke a lot and they have found that Camels don't give them jumpy nerves.

## IT IS MORE FUN TO KNOW

Camels are made from finer, MORE EXPENSIVE tobaccos than any other popular brand. Leaf tobaccos for cigarettes can be bought from 5c a pound to \$1.00...but Camel pays the millions more that insure your enjoyment.

# Steady Smokers turn to Camels

Men and women who are famous for their brilliant flying agree about smoking and healthy nerves. "I never worry about healthy nerves," they say, "because I smoke Camels."

They cannot afford to make a mistake in choosing their cigarette. They have to know. And it is more fun to know, because of the greater smoking pleasure they find in Camels. Camels are milder...better in taste. They leave no "cigaretty" aftertaste.

Change to Camels...and see for yourself that they do not get on your nerves or tire your taste!
