### Mostly One and Two of a Kind!

Suit yourself in these new swaggerish outfits! If you want a coat we've dress and sport styles, with or without fur... or you might get one of the new suits with a three-quarter, fingertip or knee-length coat to do duty with another dress! There are plenty, too, of the strictly tailored suits with hip-length jackets! Many are original showroom samples... that means the manufacturers made them better... of better fabrics, because their hopes for a bang-up season were tied up in their success! Some are hand tailored in the new formal woollens and colorful tweeds, classics this spring for early wear! Whichever you buy, coat or suit, get it now... you'll have the choice of quality we can't offer later for this price! Women's and misses' sizes.
