New Spring Dresses

Are Alert—Modern—Streamline!

...and Their Details Make Them as Wearable as Your Own Skin!

\$6.95

Here's the spring fashion story told in a few simple words. The new spring dresses tend to more simplicity and refinement, with softer details. Shoulders are smooth and rounded. Sleeves stop anywhere between elbow and wrist. Necklines remain high or draped... We've hundreds of the new spring dresses, smartly fashionable with all the details mentioned above. In sizes for women, misses and juniors.

Fabrics and Color are Important Parts of the Fashion Picture!

The fabrics are the types that can be tailored or draped to the best advantage. The colors are gay and spring-worthy. Prints, plain colors and contrasting prints. Stripes, polka dots... and of course, Chinese, Mexican, Persian and French colors. White, navy, black, blue and brown are still best bets.
