

SENATE REBELS RENEW PLEDGE TO AID VETERAN

Insurgents Have Votes to Override Opposition, Says McCarran.

WASHINGTON, March 2.—Senator Pat McCarran, persuasive insurgent, still defiant despite administration moves to sidetrack measures cutting into the government's economy program, pledged themselves today to a determined fight on the issue of increased veterans' benefits.

Senator McCarran, persuasive insurgent, said he had enough votes lined up to block any effort to put through an independent office appropriation bill unless it carried legislation liberalizing restrictions on veterans' compensation.

The independent offices bill, loaded heavily with veterans' amendments by the senate, was back in the house appropriations committee today pending decision by administration leaders on a course of action with which they might hope to nullify the efforts of the veterans' bloc.

With enough votes to swing the committee's action, Senator McCarran is confident that the administration's benefits except by a Presidential veto.

U. S. DIPLOMATS IN EUROPE BACK FUNDS

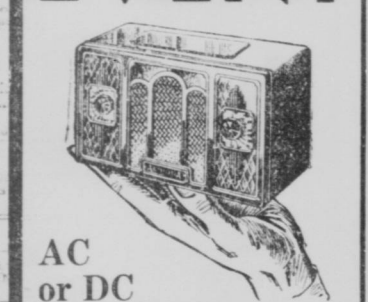

Commerce Department Officers Borrow to Pay Bills.

PARIS, March 2.—A quick business deal rescued United States department of commerce employees in fifteen European countries today from the financial embarrassment caused by Washington's decision to withhold payment of their February salaries until congress decides on a measure providing compensation for the depreciation of the dollar.

While the European employees of the state department remained without funds, disbursing officers of the commerce department got a loan from American banks. With the proceeds, they advanced enough European currency to commercial attaches and their staffs throughout Europe to pay their March 1 bills and buy food.

Meanwhile, embassy and consular employees, unpaid since January, cheerfully pooled their resources to pay living expenses for all.

CHARGE HINES' RELIEF FIGURES ARE MISLEADING

Legion Speakers Point to Alleged Contradictions at Meeting Here.

Charges that Brigadier-General Frank T. Hines, administrator of the United States Veterans' Association, has given out conflicting estimates of the cost of veteran relief, were made last night by V. M. Armstrong, state commander of the American Legion. Armstrong spoke at a meeting of the Twelfth district in the Indiana War Memorial building.

He intimated that unless more accurate statements are made, he will ask the Indiana legion at the state convention in Gary this summer to ask the resignation of Gen. Hines as administrator.

Mr. Armstrong charged that General Hines has made estimates which have varied with the political administrations.

He and other speakers cited figures to show that General Hines had given information to congress during this week that cost of veterans' relief for 1932 was \$860,000,000, and that these figures included many extraneous items. The actual figures which congress desired were but \$313,000,000, the speakers declared.

Injured Driver Is Charged With Drunkennes.

Floyd Johnson, 34, of 4930 North Hovey street, faced drunkenness charges today and suffered a bruised head following an accident early this morning when his car crashed into an eastbound street car at California and Washington streets.

Johnson, according to witnesses, was making a U-turn when the accident occurred. He was treated at city hospital for head injuries and then detained on the drunk count.

PURSE THIEVES SOUGHT

Three Women Who Entered Studio Suspected in \$10 Loss.

Police today were seeking three women who entered the F. M. Kirkpatrick studio, 619 West Washington street, pretending they wanted their pictures taken. They are alleged to have stolen a purse containing \$10 from Mrs. Kirkpatrick.

Later a purse identified as the one owned by Mrs. Kirkpatrick was found in the rear of a house in Michael street. The money was gone, but the purse contained three checks totaling \$38.
