

EDWIN BOSWELL SEEKS POST OF JUVENILE JUDGE

City Lawyer Will Make Race as Republican; Others Enter Lists.

Edwin C. Boswell, 3720 North Sherman drive, attorney here twenty-six years, today announced his candidacy for the Republican nomination for juvenile judge.

He is married and the father of three children. He has made a study of child welfare for many years, is a member of the Tabernacle Presbyterian church, is a Scottish Rite Mason, member of the Indiana State Bar Association and instructor in the Benjamin Harrison law school.

In announcing his candidacy, Mr. Boswell said:

"I believe the judge of this court should be old enough to have had real experience in the complex social problems which have arisen during the last twenty years. At the same time, he should be young enough to have retained the resilient mind of youth and not to have forgotten the problems of youth."

"And those problems are grave, both to the individual and to the society to which he is learning to adjust himself. Our youngsters are made in the years of adolescence. The first contact many a person has with American justice is in his or her childhood in children's court."

"I believe the children's court judge has a heavier responsibility than any other member of the judiciary. In him is combined both a judicial and social function. His duty is not merely to punish wrongdoers, but to mold future citizens and thus to shape destinies of the coming generation."

"Because of this, it is my honest opinion that the children's court judge should be a person of warm sympathy. He should not have the psychology of seeking convictions, but rather that of making common sense social adjustments. It seems to me that a man, no matter how estimable and upright he is, who has had years of background as a prosecutor, automatically is disqualified for this position."

Spaan Seeks Judgeship

Candidacy of Ralph M. Spaan, criminal lawyer, for the Republican nomination for criminal judge, was announced yesterday.

He served four years in the marine corps. Mr. Spaan is a member of the Episcopal church, Logan lodge, F. and A. M., Oriental chapter, Knights Templar, Scottish Rite and the Shrine.

His record in reducing the tax rate of the township from \$2.13 to \$1.81 is cited by his backers.

Arthritis Sufferer Finds Effective Treatment

A business man of Pasadena, who has been unable to walk for more than three years as the result of Arthritis (stiff joints), reports that he finally secured a prescription which not only brought him freedom from pain, but restored him to a life of activity. He then supplied the formula to others who were afflicted with ailments resulting from excessive uric acid such as Arthritis, Neuritis, Lumbago, Gout, Sciatica and Rheumatism and they, too, reported their first relief. Renton's Hydrocort Tablets is probably the most reliable and successful prescription for restoring motion to stiff joints due to excessive uric acid. CLARK BOOSTED FOR RUSE'S JOB

Marker Favors Ex-Head of Infirmary to Regain Post.

Ernest K. Marker, county commissioner, Saturday denied that he is seeking to oust Dr. Asa A. Ruse as superintendent of the county infirmary, in order to give the position to Everett Rollinson, truck foreman of the county highway commission.

"I recommended any one for the position it would be Fred Clark," Mr. Marker said. Mr. Clark held the position as superintendent of the infirmary several years ago.

Mr. Rollinson declared that the possibility of his being appointed to the position never had been discussed with him and that he did not know whether he would accept it if offered.

Mr. Marker and John S. Mann, also a commissioner, are said to be seeking the removal of Dr. Ruse because he does not make his home at the infirmary and also because his wife, who is matron of the institution, is alleged to hold another position. Mr. Marker said that she works at the Speedway bank.
