

## Count the "Fashion Points" in these Windblown Hats!

1. Spring Flower Trimmed
2. Off-the-Face Softness
3. Modern Streamline
4. Smooth, Supple Lightweight, Comfortable Materials

We've got everything for spring in this group of certified hat fashions. It's a collection to make smart women restless in their old winter hat, and turn to spring with added zest and a bright outlook on life. Brims, off-the-face styles, sailors, bretton sailors and baby bonnets get ahead to hypnotize you with their sweet flattery.

## It's Suit Time

...and We Are Ready with  
New, Smart Suit Fashions  
at a "Slim Budget" Price!

**\$16.75**

### Dozens of Two and Three-Piece Styles!

The breezy antics of the month of March are met by our new suits, made of tweed or wool fabrics. You'll find the trim, slim lines of the windblown silhouette well suited to you. And the colors, either navy, gold, grey and brownish mixtures have an outdoor tang that'll go to your head. They're trim and tailored in all the well bred traditions for spring wear.

The sooner you choose your new spring suit from these "blue bloods" of the fashion market, the smarter you'll look in the Easter parade and this spring.
