**\$15**

Frankly it's the new fashion details that make these coats such outstanding values. They're slim, trim and slick as a whistle. They're brand new and very, very exciting in fabric treatment. Some are trimmed with handsome fur . . . others are plain. Windblown details are much in evidence. Sleeves are loose and full and there is a definite trend toward the streamline silhouette. Your favorite color too! Sizes for juniors also in the group.
