

RE-ELECTION IS SOUGHT BY JUDGE BAKER

Criminal Court Incumbent
Will Stand on Past
Record, He Says.

Judge Frank P. Baker of Criminal court will be a candidate for re-election subject to the Democratic primary, he announced today. Judge Baker has no program, preferring to go before the voters, he said, on the record he has established in his term of office.

Judge Baker has instituted numerous reforms in the methods of dealing with criminal cases. He held night court for several weeks to clear the docket of more than 1,000 cases appealed from the lower courts which had accumulated in criminal court. When the docket was cleared it was kept up to date for the first time in the court's history.

Judge Baker has earned the reputation as being "tough" on criminals due to the fact that he believes the certainty of punishment is a major factor in deterring crime.

Gross Income Tax.

Dennis A. Sweeney, executive secretary, said it was intended to refer to the printing machine establishment in the basement of the Indiana state Capitol.

HIT THAT COLD A KNOCKOUT BLOW!

Don't Invite Serious Complications
with Makeshift Remedies!

A cold is something to be dealt with promptly and decisively. You never can tell where it will end. Many a "slight cold" has been the start of a serious illness. Get after a cold quickly and get after it in the right way. A cold, being an internal infection, requires internal treatment. A cold also calls for a COLD remedy and not a "cure-all."

The wise thing to take is Grove's Laxative Bromo Quinine—for several reasons. Instead of a "cure-all," it is expressly a cold remedy. It is also an internal treatment which a cold, an internal infection, requires. And it is complete in effect. It does the four things necessary. First, it opens the bowels. Second, it combats the cold germs in the system and reduces the fever. Third, it relieves the headache and grippy feeling. Fourth,

BISHOP RITTER APPOINTED TO CITY DIOCESE

Former Cathedral Rector
One of Youngest U. S.
Prelates.

The Right Rev. Joseph Elmer Ritter has been named bishop of the Indianapolis diocese, according to advices from Vatican City today.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in
the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a tickle, bad taste and your breath is foul, skin often breaks out in blotches. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't task for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. 25c a box, 50c a box. C. M. Co.—Advertisement.
