Freight Train Derailed by Washout: Property Damage High.

By United Press
EAU CLAIRE, Wis., April 4.— Flood waters today added to the damage caused by torrential rains which took nine lives yesterday.

The spring downpour centered in a wide area westward from the St. Croix river to Eau Claire. Bridges and dams were washed away, highways and railroad tracks were washed out and buildings were flooded.

Three railroad employees were killed when a Chicago, Milwaukee, St. Paul and Omaha railroad freight train was derailed by a washout at Hudson.

Jesse Uter, Minneapolis, engineer; C. F. Lange, St. Paul, fireman, and Glen Parke, Minneapolis, brakeman, died when the locomotive and a dozen freight cars left the tracks.

Oscar Franson, 45, his wife, 40, and Mrs. Alfred Franson, 40, all of Bruce Valley, were drowned when their buggy was washed from a bridge over Elk creek. Four other passengers were saved by motorists.

Myrtle Row, 21, Eau Claire, was drowned, and six Stout Institute students were saved, when the automobile in which they were riding plunged into Elk creek at Eau Claire.

In similar mishaps, George Wolf, 42, was drowned at Eau Claire, and Leonard Apel, farmer, at Spring Valley. A score of wooden mill employees, marooned at Chippewa Falls, by five feet of water, were rescued by national guardsmen when the flood receded. More than a score of motorists, finding progress blocked by washouts, spent the night in the open or in farmhouses.

FIVE MINERS SAVED FROM BLAZING PIT

Five miners entombed near Swiss City yesterday were rescued after six hours' imprisonment. Above, Jack Hays, head of the Linton safety crew, is shown being lowered into the Sinclair mine. The regular cage had burned and rescuers were lowered into the pit by means of a half-barrel and a derrick.

Below, seventy-foot lengths of weighted muslin were dropped down the shaft to fan air into the men and fan smoke away from them.

Mystery Beauty, Insull Aid, Barred by Turkey

By United Press

ISTANBUL, Turkey, April 4.—Samuel Insull, querulous, despairing, but still fighting extradition, moved today unknowning that Mme. Zehra Couyoudjoglou, mystery beauty, had tried to land here to aid him and had been turned away.

Calling on the remnants of his \$100,000 utilities fortune to save him, Insull, through his lawyers, called to London for \$10,000. It was revealed that when he landed here he had but ten Turkish pounds.

He kept his spirits by conferring with his attorneys on plans to defeat plans of the Turkish and American governments to send him to the United States for trial for fraud.

"I still have faint hope that everything will come out all right. But I fear not. I am bound, unfortunately, imprisoned. My wife is faced with prison in the United States. God pity us all!"

Insull, the newspaper said, seemed prostrate with grief.

AUTO, GAS FEES SHOW INCREASE

\$8,435,161.89 in Receipts Are Distributed: City Gets \$137,867.

Gas tax collections and motor license fees amounting to \$8,435,161.89 were being distributed today for the first quarter of 1934 in the office of Floyd I. Williamson, state auditor.

She sailed from Athens last week for Rumania, hoping to get the aid of Mme. Madge Lupsu, King Carol's sweetheart, and arrange for Insull to obtain a haven in Rumania.

When she arrived at Costanza yesterday, she was prevented from going to Bucharest and sent back home.

According to Laurence Sullivan, deputy auditor, the sum represents an increase of 16.1 per cent over the April distribution last year, and 34 per cent over the Jan. 1, 1934, payments.

He attributed the increase both to boom in gasoline sales and to the insistence of the state administration on having 1934 license plates on Jan. 1, rather than granting time extensions, as in the past.

Of the total, \$5,001,833.28 came from license sales and \$3,433,328.61 from gasoline.

The money was distributed as follows:

State highway department, \$4,217,580.95; cities, counties and towns, \$2,967,122.62 and the state general fund, \$1,250,458.32.

Marion county received \$69,790.92, of which \$34,895.46 went to the city. Total to the city of Indianapolis was \$137,867.65, with its per capita allotments of approximately \$102,000.
