

KEEP REPUBLIC FREE, I. U. MEN TOLD BY BRYAN

Colleges Must Teach Faith
in Nation, President
Says in Talk.

A resurgent tide of autocracy which may threaten the world with a new dark age probably will engulf the United States unless its colleges and universities produce young men with fighting faith in a free republic.

That was the warning of Dr. William Lowe Bryan, Indiana university president, to 300 Indiana alumni who celebrated Founder's day at a dinner in the Columbia Club last night.

The autocracies, for example, of Russia, Italy and Germany, with their peremptory rule that the state must command and control, tend to the development of the subservient mind and the death of the creative mind, Dr. Bryan said.

Bo McMillin Talks

Referring directly to a previous talk by A. N. (Bo) McMillin, new football coach at Indiana, Dr. Bryan said it was vital that leaders in American schools produce men who would fight for the liberties which were the foundation of the American state.

McMillin told the alumni not to expect national football champions of the Crimson squads, but that they could expect teams of which they would be proud.

"We'll win our share of the games, maybe not next year, or the year after, but eventually we'll win our share."

Dr. Gatch Also Talks

"I appreciate the enthusiasm shown since I've come to Indiana," he said. "But I want your thorough trust to have you believe in Bo McMillin because he's trying to make men of your boys."

Dr. Willis D. Gatch, dean of the Indiana university medical school, reviewed the origin, progress and work of the Indiana university medical center here, and Dean F. R. Henshaw, of the dental college, described the dental school and its needs.

John F. Lance, retiring president of the Indiana University Club, was toastmaster. The graduating class of the state university nursing school was introduced at the dinner.

SHOT FIRED AT RAT KILLS CHICAGO YOUTH

Boy's Body Found in Alley, Victim of Accidental Shooting.

CHICAGO, May 3.—A shot fired at an alley rat caused the death of Theodore Moskala, 16, police said today in an announcement that Michael Mazaschuk, also 16, had confessed firing the shot. Moskala was found yesterday in a north side alley, killed by a bullet through his heart.

Police believed the statement of Mazaschuk that his victim walked into range of a .22-caliber rifle just as he fired at a rat scurrying down an alley, but held the youth for a coroner's inquest.

All roads in the area were guarded heavily after the fugitives, accompanied by a second man, fired shots at a highway patrolman and truck driver.

LEGION SUPPORT OF CONSTITUTION URGED

Board Gets Suggestions of Special Commission.

Opposition by the 10,879 American Legion posts of the country to any attempt to nullify the United States Constitution, and to lighten present immigration restrictions,

was to be recommended to the Legion's national executive committee today.

The recommendations, included in the report of the National Americanism commission, also were to include the proposal that the Legion's junior baseball program be curtailed beyond state competition, unless the major leagues agree to underwrite expenses.

"Insidious propaganda, seeking to undermine confidence of the people of America in their Constitution and system and form of government," is cited in the report.

Banish Body Odor This New Odorless Way

Leaves No M. S. (Medicine Smell)

It isn't the smell of a soap that gets you clean—it's the lather.

Ordinary toilet soaps don't lather freely enough in this hard water. They form a sticky soap-suds that works into the pores and dams up stale perspiration.

Strong-smelling soaps—no matter how much they lather—can't keep a secret.

Kirk's Castile, being a 100% pure vegetable oil soap, lathers abundantly, even in hard, cold water. It goes deep into the pores, mixes with the stale perspiration curds and sets them free. In a twinkling your body is as fresh and clean-smelling as a woodland breeze!

Never Saw Its Equal in Our Hard Water—says citizen of McCook, Nebraska, where water is hardest in the state.

Try Kirk's Coco Castile today. It's odorless. And half again larger than average toilet soaps—an exceptional bargain. Be sure to ask for Kirk's by name.
