GIN FOR THE KIDNEYS

Gin mixed with buchu extract for many years was the stand-by remedy for many kidney and bladder ailments. It still is good, but to get enough value from the gin involves the use of too much alcohol, which is a detriment.

Here's how to get the gin effect without the alcohol. Gin is made from juniper berries. Get juniper oil, buchu extract, etc. in little green tablets. Ask for BUKETS the bladder laxative. Make this 25c test if you are bothered by getting up nights, backache, leg pains, irregularity or irritation. Take 12 of them in 4 days. If not satisfied your druggist will refund your money. BUKETS are as valuable to the bladder as castor oil to the bowels. You are bound to feel better after this flushing and you get your regular sleep. BUKETS guaranteed by Hook Drug Stores.—Advertisement.

DILLINGER NAME SPURS HOUSE TO ADOPT REWARD

Mobster Worth \$25,000 to U. S. 'Dead or Alive,' Members Hold.

By Times Special
WASHINGTON, May 8.—It is worth \$25,000 to the United States government to capture of John Dillinger "dead or alive."

That was the view taken by a majority of the house, who are on record today as voting for a bill which would permit the attorney-general to pay such a sum for the capture or killing of a public enemy.

Passage of the bill was due largely to introduction into the debate of the name—John Dillinger.

Representative Hatton W. Sum-

mers of Texas, who chairmen the committee reporting the new crime bills, sought to amend the \$25,000 award measure so that it would apply only to the giving of information which would lead to capture and conviction of the criminal wanted for crimes of violence. He also would insist that the criminal have a previous conviction record.

This stand was immediately opposed throughout the house. "What if Dillinger had no previous conviction record?" Representative John J. Cochran (Mo.) shouted. "Do you think that he should go free? We want a law with teeth in it."

And a "law with teeth in it" is what they got, so far as the house is concerned.

\$500 REWARD!

Real Silk Hosiery Mills, Inc., offers a reward of \$500 for information leading to the arrest and conviction of the person or persons guilty of bombing the home of John Madden, 2614 East North Street, the night of May 3.

Mr. Madden is an employe of the Real Silk Hosiery Mills and his only offense was his desire to continue at work in order to support his wife and four children.

The attempt to blow up his home in the middle of the night was a dastardly and cowardly act. This Company and the law enforcing officials of the city of Indianapolis are bound and determined that those who planned the outrage as well as the person or persons who actually placed the bomb shall be apprehended and punished.

The lives of nine children and four adults in the double house at the time of the explosion were endangered. That no one was killed or seriously injured is little short of a miracle.

More than 2500 employes have continued to work at the Real Silk Hosiery Mills despite the strike of a minority group of the workers. These 2500 employes are citizens of Indianapolis and are entitled to work in peace and to have every protection from persons who seek to intimidate them by threats and by acts of violence.

This reward of \$500 is offered as a means of helping constituted authorities discover the perpetrators of this outrage, and in support of the determined effort being made by the police to maintain the reputation of Indianapolis as a place where every citizen is assured protection for his person and his property.
