What'll be nicer for summer wear than two-piece dresses? Printed frocks with dark swaggar coats? Printed frocks and printed coats? Or shorter jacket frocks with crisp flower-like lingerie touches or soft pastel trim? On cool days you'll don the jacket gladly . . . on warmer days you can lay it aside and step out in a frock that's as smart as details copied from higher-priced models can make it! We've plenty of these styles in this group, priced to make history in our Downstairs dress department!
