

# GRUNOW Announces FOR 1934 SUPER-SAFE CARRENE

*...all the features you've wanted in a refrigerator*

Foot pedal door opener which opens the door at a touch of the toe.

Ice tray releases that prevent sticking and make it unnecessary to yank at tray handles.

Jewel box type hardware, which gives gracefulness and convenience in the new Grunow.

Flexible tray. At a twist of the wrist, ice cubes are ejected without waste.

Cross-hatch shelving prevents small dishes from tilting and spilling.

Continuous running switch permits extra fast freezing of hard-to-freeze desserts.

*For your children's sake*  
**A SAFE REFRIGERATOR**

- Here is an announcement that should amaze and thrill you. With every Grunow refrigerator you get probably the most important thing of all, a safe refrigerant, at no extra cost.

Carrene, exclusive with Grunow, is a refrigerant that has almost the simple properties of water itself. You can see it, smell it, and hold it in your hand, without danger or inconvenience. There is no noxious odor, it operates without pressure, it is a liquid and not a gas, under all ordinary conditions and temperatures. Yet it is one of the most efficient refrigerants ever developed.
