

ENTRIES FOR SKATE DERBY CLOSE TONIGHT

Get Blanks at Block's or
Mail Letters to Times
Before Midnight.

Today marks the closing date for entry in the first annual William H. Block Company-Indianapolis Times Roller Skate Derby to be held Saturday at Tomlinson hall.

Opening heats and semi-final events in the derby will be held at 2 p. m. and finals will be held at 7:30.

Entries will be accepted at the Block store today until 5:30 closing time, and those unable to visit the store may post a letter to The Times Roller Skate Derby Editor before midnight tonight to obtain a place on the entry list.

There is no entry fee to the derby and the free blanks may be obtained in the boys' department, third floor, Block's. All that is necessary is to ask any Block employee on the third floor for your skate derby entry blank. After filling out the blank return it to the person from whom you received it. No purchases are necessary.

Open to Every One

The derby is open to every one, and events will be held in three age classes, under 14, 14 to 18, and above 18 years of age. Girl and boy contestants will perform separately.

Twelve events will be held in all, and each contestant, girl or boy, will have as many as four chances to win one of the numerous prizes offered by the Block company.

Prizes include eleven silver cups to be awarded a number of ten single racing events and the winners in a fancy skating contest, and twin medals will be awarded the winning team in a three-legged race.

Skates for the derby will be the regular Tomlinson hall rink skates, and will be furnished each contestant free. Skaters having their own skates will be permitted to use them.

The Tomlinson hall floor, new last fall, will be in the best of shape and well "chained" to keep contestants from slipping on corners. The skater also will be in tip-top shape, according to Gar Davis, rink manager.

Race Drivers to Attend

Each contestant will be accorded an equal chance of winning, as officials for the derby, which will be run off in the same manner as a high school or college track meet, will be local track officials.

As a special added feature, several drivers of cars listed in the Memorial day 500-mile Speedway race also will take the part of judges in the speed contests.

A steady flow of entries has been coming in during the last few weeks but The Times and Block's would like to see a still larger number of persons trying for the prizes.

Since the derby is the first of its kind ever to be held in Indianapolis, winners in each event automatically will become the city champions in the events in which they are victorious.

Most interest so far has been shown by boys and girls in the middle age class, and therefore The Times Roller Skate Derby Editor would like to see more entries pile up today from youngsters of the city and from persons in the older class.

Names to Be Listed

Entries in the middle class also will be appreciated, however, and every boy and girl in the city is asked to sign up and try for the titles and prizes offered.

A complete list of the names of all entries will be published in The Times later this week, and more news concerning the derby will be published daily until the derby is held.

If you have not already entered the derby, visit Block's today and get your free entry blank, or, mail in your name at once.

After you have signed up, practice a little each day, and then be ready for the take-off at 2 Saturday at the Tomlinson hall rink.

Watch The Times for more derby news.

NORTH SIDERS BACK PLAN TO DREDGE CREEK

Support for Project Voted at
Meeting Held in
Marott.

Support for the project to seek federal funds for dredging and cleaning Fall creek was voted last night at a meeting of north side residents in the Marott.

The group heard George Q. Bruce, president of the North Side Civic federation, which recently adopted a resolution favoring the plan, and went on record as wishing to cooperate with the federation.

Mr. Bruce said that the cost of the creek work would be approximately \$41,000 if the state would provide the dredge and the city provide trees and shrubbery for planting along the banks.

'Murder at the Vanities' Sure Cure for That Fed-Up Feeling on Movies

BY WALTER D. HICKMAN

If you say that you are fed up on musical movies I can suggest a sure cure.

The cure is Earl Carroll's Vanities, movie edition, which will open tomorrow at the Circle under the title of "Murder at the Vanities."

I know that I was getting enough of this type of entertainment, but after the preview I left the studio yelling in favor of this one.

When Carroll staged this Vanities on Broadway in a legitimate theater he had a murder mystery story woven in and around all of his production numbers.

A mysterious woman is murdered in the loft of the theater stage just as the curtain goes up on the first night of the Vanities.

MERCURY 72 BELOW: BYRD AWAITS WINTER

Antarctic Expedition Tunnels In for
Long Cold Spell.

LITTLE AMERICA, Antarctica, May 22.—Via Mackay Radio—Members of the Byrd expedition were able to sit back today and await the approach of the ultimate in cold, the Antarctic winter.

Huts have been built and insulated, tunnels dug to all storehouses under the hard packed snow, airplanes put under sunken shelters, and the tractors driven into a canvas covered garage beneath the surface. The temperature is 53 below.

Out on the Ross ice barrier, 163 miles away from the main camp, Rear Admiral Richard E. Byrd reported a temperature of 72 below and the real Antarctic winter still a month away.

Vanities" he has appeared in European-made movies.

INDIANAPOLIS theaters today offer: "Thirty-Day Princess" at the Circle; vaudeville on the stage, and "Black Cat" on the screen, at the Lyric; "Finishing School" and "Sisters Under the Skin" at the Indiana; "Change of Heart" at the Apollo, and, "Manhattan Melodrama" at Loew's Palace.

That, I contend, is something new for a musical movie. The cast contains legitimate and movie names such as Carl Brisson, European singer; Victor McLaglen, Jack Oakie, Kitty Carlisle, Dorothy Stickney, Donald Meek and many others.

Paramount brought Carroll to Hollywood to supervise the screen production. He brought eleven of his prize Broadway Vanities beauties and he selected seven Hollywood girls to dance with them.

Duke Ellington and his noted band furnish one of the hit numbers of the movie.

Carl Brisson looks more like a prizefighter than a matinee idol. But he has the needed looks and he knows how to sing. His voice records splendidly.

He was born in Copenhagen, Denmark. Up to "Murder at the Vanities" he has appeared in European-made movies.
