

PRE-MEMORIAL SERVICES HELD FOR WAR DEAD

Rites Conducted in Nine Cemeteries; Aviation Tribute Paid.

Pre-Memorial day ceremonies were held in nine cemeteries and at the Meridian street bridge over Fall creek and the Governor Oliver Perry Annual parade, with rites at monument Circle, and a large grave decoration at Crown Hill, will climax the Memorial day ceremonies Wednesday.

More than 1,000 persons attended the eleven ceremonies held yesterday.

Henry M. Dowling, attorney, spoke at the services held on the east steps of the statehouse near the Morton statue.

Rites at Statehouse "In these trouble times," said Mr. Dowling, "it behooves all of us to display as much patriotism as in time of war. These are not days for hyphenated Americans."

The state house rites were conducted by the Oliver P. Morton chapter of the Daughters of the Union. The statue was decorated. Aviators, soldiers and sailors were honored at services conducted on the Meridian street bridge by the Ben Harrison camp and auxiliary No. 10, Sons of Union Veterans. The Rev. Frank Buckner spoke.

Air Memorial Stayed Throughout the rites Lieutenant Howard H. Maxwell of the One Hundredth and Thirtieth observation squadron, and Walter Dyer served flowers from a national guard plane. They also dropped flowers over cemeteries of the city, where former service men are buried.

The air memorial was under the auspices of the American Legion. Disabled American Veterans, Fraternal Order of Eagles, and the Indianapolis fire department. At Washington park cemetery rites were conducted by Hoosier post No. 624, Veterans of Foreign Wars, and the Richard J. Litz detachment of the Marine Corps League. Delbert O. Wilmett was the speaker.

Clarence R. Martin spoke at ceremonies at Anderson cemetery under the auspices of the East Indianapolis post No. 13, American Legion. Humphrey Harrington spoke at the Round Hill cemetery services. Boy Scouts decorated graves.

Floral Park Ceremony Lavelle-Gossett Post No. 908, Veterans of Foreign Wars, held ceremonies in Floral Park cemetery. Joseph R. Williams was the speaker. Similar rites were held at Shiloh cemetery in the morning.

Daughters of Union wear in charge of rites at Concordia cemetery. The Rev. Lorenz Wunderlich spoke. Members of the Knights of Columbus decorated the graves of the war dead in Holy Cross, St. Joseph's and Jewish cemeteries.

The Brookside United Brethren church held special services in honor of the Grand Army of Republic.

ATTENDANCE RECORD SET AT WORLD FAIR

Quarter Million See Exhibit on First Two Days.

By United Press CHICAGO, May 28.—Attendance at the 1934 world's fair had shattered two 1933 records today, bringing predictions from the fair management, and railroad passenger agents that the new fair would bring an all-time record for world expositions.

A quarter of a million persons had passed through the gates before noon. Yesterday's attendance was 80,807. Added to Saturday's inaugural crowd of 153,189, the two days exceed the opening Saturday and Sunday of 1933 by 63,111 persons.

RIOTING CONTINUES IN COAST DOCK STRIKE

Five Hurt and Four Arrested as Mediation Proceeds Slowly.

By United Press SAN FRANCISCO, May 28.—Mediation efforts in the Pacific coast maritime workers' strike moved slowly today to an accompaniment of shootings, beatings and rioting.

The major disturbances occurred in San Francisco and Oakland. Five men were injured and four arrested when 300 strikers charged a Norwegian freighter on which strike-breakers were working. Pick handles and baling hooks met the charge and turned back the strikers.

Auto Victim in Hospital Ura McCoy, 53, of 222 East Washington street, is in a serious condition at city hospital today following an accident Saturday. Mr. McCoy walked into the path of an automobile.

OFFICIALS DRAFT LAW TO QUIET BEER PARLORS

Late Songs, Dancing Brings Complaints From Nearby Residents.

A legal silence for raucous orchestras and owl barbershop quartets in city beer parlors was begun today by Herbert M. Spencer, assistant city attorney, as he started preparation of an ordinance setting closing hours.

Conferences with Chief Mike Morrissey resulted in Mr. Spencer's announcement of the need of a city law to stop late hour disturbances in beer spots in residence neighborhoods.

Mr. Spencer was to confer with Mayor Reginald H. Sullivan and members of the safety board in the drafting of the ordinance. "The matter of regulating such establishments is highly complicated. Many restaurants operate quietly but are selling beer and it would be an unfair hardship on them to pass a general closing rule," Mr. Spencer said.

He declared he was contemplating a measure, however, which would require that dancing be stopped at a reasonable hour.

"Complaints for the most part," he added, "have come from beer establishments in neighborhoods where residences are located. While the administration does not wish to put through a curfew ordinance for those who desire to stay up late, it must do something to curb increasing public disturbance."

One year ago an effort was made to pass an ordinance closing beer parlors at midnight. It failed of passage.

12 Soldiers Killed in Battle

Relieved His Own Mother's Torturing Neuritis Pain

So quickly does Neuritis ease the torturing pain of sciatica, rheumatism, neuralgia, lumbago and neuritis that the head of the syndicate which purchased this eminent Specialist's prescription treated his own mother with it. Although 73 years old, she found great comfort through it. Other sufferers the country over report the same quick and joyous relief from pain after a few doses of Neuritis. Best of all—it has eased their suffering without the use of narcotics or opiates. If you're tired of using ineffective remedies, make this simple test: Go to your druggist and ask for Neuritis. If the very first three doses do not relieve the most intense pain, your money will be refunded without question. Don't wait a single unnecessary minute—go to your druggist right now.—Advertisement.
