Alberta Premier Expected to Resign; Girl Awarded \$10,000.

EDMONTON, Alberta, July 2.—Prime Minister John E. Brownlee, branded the seducer of a 22-year-old government stenographer, was expected to resign today. He already had notified the Lieutenant-Governor of Alberta province of his intention, it was reported.

A jury Saturday found that Mr. Brownlee had seduced Vivian Macmillan and awarded her \$10,000 damages. It awarded \$5,000 to Miss Macmillan's father. The verdict followed a sensational trial in which Miss Macmillan alleged Mr. Brownlee kept her as his mistress in the

same house with his wife and children.

Acting Chief Justice W. C. Ives, in dismissing the jury, said: "I think I should say openly and publicly while you are here, that I strongly disagree with your decision. That is all. You may go."

## **CITY MAN SHOT AFTER HAILING PASSING AUTO**

Victim Held on Vagrancy and Drunkenness Charge.

Shouting to occupants of a passing car, Joe Gregg, 27, of 4963 West Eleventh street, received a bullet in the shoulder by way of reply Saturday night.

The shooting occurred on Sixteenth near Speedway City. Lawrence Dickerson, R. R. 4, Box 440, driver of the car in which Gregg was riding, said Gregg shouted, "Where are you going?" to a man in the passing car. The man immediately fired a shot and drove on. Gregg was sent to city hospital, where police ordered him held on vagrancy and drunkenness charges.

**\$40 Stolen From Purse**

Mrs. J. M. Tarter, 1721 Bellefontaine street, reported to police the theft of \$40 from her purse at her home while she was attending church yesterday.

# **URGES CUT IN COUNTY TAXES**

Substantial Reduction Is Possible, Is Assertion of Miesse.

Substantial reduction in the Marion county tax rate is possible this year without curbing any essential governmental function, Harry Miesse, Indiana Taxpayers' Association secretary, announced yesterday. Analysis of the budget require-

ments of Marion county, prepared by the research department of the association, reveals that a major reduction in taxes can be effected for all property in Indianapolis and the county.

New revenues are coming to the county due to the broadening of the tax base, and this money "should be used as far as possible to relieve local levies on property," Mr. Miesse pointed out.

A return to more normal payment of taxes also is a factor in making it possible to cut the county

tax rate for county purposes, the statement declared. A reduction from 56 cents to 38 cents in the 1933 tax rate is entirely possible, Mr. Miesse said.

**Cigarettes Stolen From Tavern**

Thieves early yesterday broke into a beer tavern at 424 East Washington street and stole \$15 worth of cigarettes. Police were notified by the proprietor, Jake Leffer.
