

# \$500 LOOT OF SAFECRACKERS AT CITY STORE

Two Strong Boxes Torn  
Open by Yeggs; Checks  
Also Stolen.

Yeggs who were forced to flee from the Victor Furniture Company, 231 West Washington street, Saturday night by tear gas concealed in the company's safe, were more successful last night in a visit to the Indiana Wallpaper Company, 28 East Maryland street, and obtained \$500 there. At the wallpaper store they tore the doors from two safes, one of which, containing records, had its combination plainly shown on a tag attached to the knob on the lock. The papers were strewn all over the office.

# Indiana in Brief

Lively Spots in the State's Happenings Put  
Together 'Short and Sweet.'

FRANKLIN, July 2.—Business men of Franklin have been advised in a letter from the city ministerial association that they should not feel they are under obligation to buy advertising in various schemes represented as connected with churches.

Solicitation of advertising on such basis, the letter states, has been watched by the ministers "with no little concern," and they believe it tends to "decrease the reverence and dignity which should be characteristic of the church."

Even when a solicitor has credentials from a church, the ministers declared business men should not feel constrained to buy advertising.

"All they clear

"To me a cigarette is the best smoke. It's a short smoke . . . and then again it's milder.

"I notice that you smoke Chesterfields also. I like them very much."

"I HAD A BERTH in the ninth sleeper. It was a heavy train and a cold night—snowing—and I thought about the man with his hand on the throttle. I admire and respect those men."
