

SIX ARE NABBED BY CITY POLICE IN GANG HUNT

Two Women, Four Men Are
Held as Robbery
Suspects.

With six persons, two of them young women, held under high bond, police appeared today to have broken up a gang of holdup men and robbers as a result of having picked up a stolen auto last night at Capitol avenue and Twelfth street.

Seized with the six were a 45 caliber Colt automatic pistol, loaded and with an extra clip; an empty United States Bulldog revolver, a second automobile tentatively identified as having been used in gasoline swindles, two glass cutters, a sledge hammer, three automobile master keys, a flashlight and a pair of wrenches.

Those held are William Halpin, 21, of 1403 Bellefontaine street, who, police say, is under suspended sentence for robbery; William Cook, Detroit, Mich.; James A. Reid, 23, of 1229 Broadway; Mitchell Ross, 28; Louise Wilson, 18, and Thelma Wolfe, 24, the last three all of the Lexington apartments.

Halpin, Reid and Cook were seized in the stolen car, police say, and Halpin is reported to have given several versions of how he obtained it, ending finally with a purported confession it was stolen.

The car is listed as owned by Fern Lantz, Nappanee, Ind. The plates on it were issued to Reid at 616 North Alabama street, said by police to be a false address, for a 1925 model.

Questioning of the trio led police to the Lexington apartments, where Cook had told detectives he was living with Ross. There, the women and three other men, not arrested, were found.

While police were questioning the five, Ross drove up in the second car, the police report states, adding that this car was wanted as having been used in several attempts to swindle gasoline station proprietors in a scheme involving false diamonds.

GETS LIFE FOR MURDER

Little Girl's Face Inflamed By Psoriasis. Healed by Cuticura.

"My little girl's face was so inflamed that her eyes were swollen almost shut. The trouble was diagnosed as psoriasis. She scratched night and day and was not able to obtain rest. The scratching aggravated the trouble and each finger tip was red and swollen with infection. She became so emaciated that she was very pathetic looking.

"After three months' suffering I recalled the Cuticura treatment used by my mother. I bought a cake of Cuticura Soap and a box of Cuticura Ointment and used them according to directions. The first treatment brought relief and she is now healed." (Signed) Mrs. Marie I. Johnson, 4720 Ames Ave., Omaha, Neb., March 14, 1934.

Soap 25c. Ointment 25c and 50c. Talcum 25c. Sold everywhere. One sample each free. Address: "Cuticura" Laboratories, Dept. D2, Malden, Mass.
