

H. P. WHITNEY'S ESTATE DROPS TO \$62,808,829

Late Sportsman's Holdings Shrank 30 Per Cent Since 1930.

NEW YORK, July 20.—At the time of his death in 1930 Harry Payne Whitney, noted sportsman and financier, controlled holdings valued at \$72,740,838, according to a transfer tax appraisal on file today.

Since then, however, the estate has suffered an estimated shrinkage of 30 per cent due to the reduced value of securities worth \$64,000,000 four years ago. Some financial experts held the shrinkage had been even higher and that at one time the total estate probably had a value in excess of \$200,000,000.

State Levies Tax
Net value of the estate was listed in the appraisal as \$62,808,829. The state will levy a tax of \$9,513,013.

The Whitney investments covered a wide field. There were 124 stock items appraised at \$47,392,302, 196 items of municipal bonds and seven of miscellaneous bonds valued together at \$16,354,719.

Among the Whitney real estate was the mansion and plot at 671 Fifth avenue, worth \$1,650,000, and property at Old Westbury, L. I., appraised at \$2,186,804.

Horses Worth \$169,000
There was \$747,616 cash in the estate. Personal effects at the Fifth avenue home alone were set at \$749,793, including rare objects of art, the most costly of which was a portrait of "Sir William Villiers" by Van Dyck, valuation \$60,000.

The famous Whitney horses were listed at \$169,000. Principal beneficiaries of the estate are the widow, Mrs. Gertrude Vanderbilt Whitney of New York, and three children, Cornelius Vanderbilt Whitney, Flora Whitney Miller and Barbara Whitney Henry, all of Westbury.

2,000 STRIKERS BACK IN AKRON TIRE PLANT

Workers Win Increase After Four-Week Walkout.

AKRON, O., July 20.—Two thousand employees of the General Tire and Rubber Company were back at work today after a four-week strike. Factory workers accepted terms of a company program at a mass meeting Wednesday night. The plan was given to a labor committee by W. O'Neil, company president, with figures showing that average yearly wages at the plant would be the highest in the rubber industry.

O'Neil sent a message to the employees saying he was "glad that this walkout has been ended amicably—and in accordance with the principles of the national recovery act."

CUPID GAINS FAVOR, LEAGUE DISCLOSES

Marriages Increased Throughout World in 1933.

GENEVA, July 20.—Marriage is becoming more popular throughout the world, the statistical year book of the League of Nations showed today.

An almost universal increase of marriages in 1933 was reported, especially in Germany, France, Italy, Great Britain, Argentina and Chile. League experts said the increase follows a continuing decline in recent years. The proportion of old people is increasing considerably and the proportion of youth decreasing.

GIVE YOUR KIDNEYS AND BLADDER A SPRING CLEANING

Diurex Pills will expel the poisons from your system and make you feel like a new person. A continuous backache takes all the joy out of living. If accompanied by irregular urination and a tired, nervous feeling, backache may be caused by kidney or bladder trouble.

Diurex Pills will help you as they helped Andy Yunker, 215 N. Illinois St., Indianapolis, Indiana. He says: "Diurex will help any one suffering from a backache caused by kidney trouble. I have taken two boxes of Diurex and my backache is almost gone. I would pay gladly twice as much as you ask for Diurex, if necessary, because it is a wonderful medicine."
