

—Playground News— SANDPILE GOLF NEW SPORT AT CITY PLAYLOTS

Children Adopt Fathers' Alibis as Pastime Gains Popularity.

BY WILLIAM McGAUGHEY
Times Staff Writer

Golf as an alibi is now the possession of the young as well as the old.

Children of 12—and children even younger—can blame their tardiness to supper on the same game which their fathers blame.

"I'm sorry, Mom," they can say with the utmost candor, "but I got in the rough on that tough seventh and it took a heck of a long time to get out."

For Miss Alma Teifert, recreation supervisor, has brought to the city playgrounds a new game called sandpile golf. The sport follows the rules of regular golf, the exceptions being that wooden paddles are used for clubs and a sponge rubber ball replaces the golf ball.

Course Is Nine Holes

At all the playgrounds, the children have worked to build sand traps rough and other hazards. The average playground course consists of nine holes.

Although the age limit for sandpile golf is 12, Miss Teifert claims that many older children have clamored for the privilege of making their own courses.

In planning the tournament for the juvenile golfers, the ingenious recreation supervisor has discovered a plan to prevent allying for poor scores.

Each sandpile golfer will get three chances to play. The lowest score made will be recorded as the final score. So, if a golfer gets into difficulty on one round he has two more chances to redeem himself.

Tournament Is Slated

Watch The Times next week for the line-up of contestants in the sandpile golf sectional tournament.

The intense north side rivalry between the Fall creek junior softball team and the Forty-ninth and Arsenal aggregation shows prospects of exploding into a bang-up game when the two teams meet this afternoon.

Both clubs have lost one game to tie for the lead in the north side division. Fall creek, the 1933 junior champion, must crash through the Arsenal airtight defense today or consider the junior flag lost.

Willard and Riley are breezing along with clean slates in their divisions, while American Settlement has one defeat chalked up against its record in the west side race.

How They Stand

Here is the standing of teams in the junior league after the completion of the first round:

NORTH SIDE LEAGUE			
Team	W.	L.	Points
49th and Arsenal	5	0	15
Fall Creek	3	2	9
Washington	2	3	6
Golden Hill	1	4	3
WEST SIDE LEAGUE			
American Settlement	5	0	15
Rhodius	3	2	9
Cosmat	2	3	6
Hawthorne	1	4	3
SOUTH SIDE LEAGUE			
Willard	6	0	18
Finch	5	1	15
Kanaw	4	2	12
Cardinal	3	3	9
Green	2	4	6
Pleasant Run	1	5	3
EAST SIDE LEAGUE			
Willard	6	0	18
Brightwood	5	1	15
Brookside	4	2	12
Oakhill	3	3	9
Ellenberger	2	4	6
Christian	1	5	3

Members of the Knott-Hale gang will be the guests of the Indianapolis Junior Chamber of Commerce tonight to see the double basketball game at Perry stadium. All gang members are urged to attend.

SAYS INDO-VIN MADE HIM WELL

"What I Needed for My Deranged Organs," He Says; All the Misery Is Gone.

MR. CHARLES HATFIELD, of 77th St. & College Ave., Indianapolis, has now come forward with his TRUTHFUL and REMARKABLE statement praising Indo-Vin, which is the new, scientific mixture of Extracts from Medicinal Plants, now being introduced to crowds daily here in the city of Indianapolis by The Indo-Vin Man in person at Hook's Drug Store, Illinois & Washington Sts. Mr. Hatfield is a caretaker at the Indianapolis School for the Blind and well acquainted throughout Indianapolis and vicinity. He states that he is PROUD to endorse such a medicine as Indo-Vin and we are just as proud to publish his name and testimonial, as he is a widely-known and highly respected resident of this city. Following is his complete statement:

"For three years I had been a great victim of stomach trouble. I was eating 'Indo-Vin' and today nobody would ever think I had a sick day in my life. My meals are digesting perfectly now and my food agrees with me and it never hurts my energy. I had before. All of that awful gas misery is gone now and I never have the pains around my heart and in my chest. And all the dizzy spells and sick headaches have disappeared. It acted in a natural manner on my bowels and I don't have any constipation at all. I am making this truthful statement for the sole reason that I want to help others who suffer and I want to urge all suffering people to go and get this great medicine and take it."

The Indo-Vin Man is now at Hook's Dependable Drug Store, Illinois & Washington Sts., Indianapolis, daily meeting the public and introducing and explaining this new mixture of Nature's Medicines. Also being sold in all the nearby towns by every good druggist throughout this whole Indianapolis section.—Advertisement.

MAN OF THE HOUR

Europe's diplomat of the hour, French Foreign Minister Louis Barthou, is shown in London where he won what is generally regarded as a diplomatic victory by gaining British sanction for France's proposed pact of mutual assistance. He had previously made a whirlwind tour of the Balkans to strengthen his country's political position.

N. J. STRIKE LAGS; PICKETS GO 'AFISHIN' WITH ANGLING BOSS

BRIDGEVIEW, N. J., July 20.—The strike at the New Jersey Packing Company's basket plant succumbed to the lure of fishing today.

This is how it happened: Herbert N. Smalley, treasurer of the concern, approached the picket line and talked to the strikers. "It's too hot to picket. How about going fishing with me?" he asked.

Twenty-two of the seventy-five strikers agreed. They returned with a mess of 150 fish and an urge to return to work. Today the other strikers followed suit.

INJUNCTION GRANTED TO FIRM IN NRA TIFF

Clothing Concern Fights to Hold Blue Eagle.

By United Press
BALTIMORE, July 20.—The L. Grief & Brothers, Inc., clothing manufacturing firm, today held a temporary injunction enjoining General Hugh S. Johnson from taking away their blue eagle. The injunction was granted by United States District Judge W. Calvin Chesnut upon representation by the firm that the NRA violates the Constitution and that General Johnson sought to foster a boycott against the firm. A hearing of the case on its merits was set for Tuesday.

Lawn Social Will Be Held
The annual lawn social of Naomi chapter, Order of Eastern Star, and its auxiliary will be held tomorrow at East Washington street and Oakland avenue.

MR. CHARLES HATFIELD

NO RELIEF. Then I found Indo-Vin and have taken three bottles and today nobody would ever think I had a sick day in my life. My meals are digesting perfectly now and my food agrees with me and it never hurts my energy. I had before. All of that awful gas misery is gone now and I never have the pains around my heart and in my chest. And all the dizzy spells and sick headaches have disappeared. It acted in a natural manner on my bowels and I don't have any constipation at all. I am making this truthful statement for the sole reason that I want to help others who suffer and I want to urge all suffering people to go and get this great medicine and take it."
