

## GROCERS REVIVE OLD-TIME PICNIC CUSTOM IN CITY

700 Independents Sponsor Columbia Park Outing Sunday.

A community spirit long famous in Indianapolis will be revived significantly Sunday with the renewal of the old-fashioned grocer's picnic, bringing together 700 independent grocers, their families and friends.

The outing will be held in Columbia park on the south side, known years ago to joyfully congregating groups as Germania park.

Underneath a grove of trees, the grocers and their guests will compete in unique contests. The program will begin at 11 a. m. and will last until the last guest departs.

### Visitors Are Invited

Visitors are invited to join the crowd and bring their family baskets. Coffee, sandwiches and drinks will be available for those who do not bring their own refreshments.

Dancing will be provided in the afternoon and night at the pavilion for the young people and for the "oldsters" who wish to dance. In the afternoon, music will be furnished by the Schlosser Brothers phonograph amplifying truck and at night by a leading dance orchestra.

The program has been arranged by Elmer Lay, entertainment chairman, and his committeemen, R. S. Harlan, William Yeager, H. L. Ottlinger, Mrs. Helen L. Sherman and L. L. Thompson.

### Unique Contests Slated

Features of the entertainment will be a baseball game between the Weber Milk Company and the Rockwood Athletic Club and the awarding of prizes to the oldest active grocer present and the largest family present.

The crowd will engage in such contests as nail driving for women, pie eating for children, potato spoon race for women, pillow fight for men, three-legged race between West and Purdy bakers, three-legged race for children, horseshoe pitching, cracker eating and whistling for boys, races for girls over 12 and boys under 10, race for all grocery clerks, fat man's race, tug-of-war between grocers and clerks, greased pig contests and a husband calling contest.

The entertainment committee promises a day of community fellowship.

## BOY SCOUT MINSTREL SHOW OPENS TONIGHT

Fifty Members of Cast Ready for Camp Entertainment.

A cast of fifty Boy Scouts and senior camp staff members went through the final rehearsal of the camp minstrel show last night in preparation for the opening presentation tonight at the scout reservation.

The show, beginning at 8, is an annual affair. Blackface numbers, jokes, singing and music by the scout band will feature the entertainment.

Following the show, eleven scouts will be initiated into the firecraft group, the highest rank in the camp award system.

## THE NEW INDO-VIN ASTOUNDS THIS WHOLE SECTION

Great Medicine Has Become a Complete Sensation Here in Indianapolis and Thousands of Bottles Are Being Sold; Crowds Flock Daily to Hook's Drug Stores for It.

Day after day, the new medicine, known as Indo-Vin, continues to make in sales and demand here in city of Indianapolis and vicinity. In fact, at the present time, thousands of bottles of this remarkable mixture of Nature's Finest Ingredients are being sold here and crowds are flocking daily to Hook's drug stores, Illinois and Washington streets, where Indo-Vin is being introduced to the general public by The Indo-Vin Man in person.

### What Indo-Vin Is!

It is a new and scientific mixture of 20 different medicinal extracts which act upon EACH of the FOUR important organs—Stomach, Liver, Kidneys and Bowels. Not one of these 20 ingredients is a habit-forming drug. The medicine is taken after meals and mixed with the food in one's stomach, thus throwing off the poisons that fester stomach and bowels, permitting the kidneys and liver to function properly. It acts within 10 minutes to stop heartburn, sourness, bloating and belching.

It will cleanse your bowels (gradually—not drastic as others) as they were NEVER CLEANSED BEFORE, bringing out impurities that may have been for a long time contaminating your blood and inner organs.

Indo-Vin will drive the poisons from the kidneys and relieve headaches, bladder irritation and weakness. Relieves rheumatism and neuritis, driving out the organic poisons that cause the terrible aches and pains, giving quick relief.

IT WILL put a stop to the skin eruptions that are caused by impurities in the organs, will overcome the sluggishness or "muddiness" that is due to sluggish liver, and will put the ROSE GLOW OF HEALTH into your cheeks. Indo-Vin will make your stomach, liver, kidneys and bowels more active; build you up in general and make you LOOK, ACT and FEEL like a DIFFERENT MAN or WOMAN.

Years younger than your real age.

Following are JUST A FEW testimonials, selected at random, from among the HUNDREDS that are being received from this immediate vicinity, praising Indo-Vin, describing its action and urging ALL WHO SUFFER to get it and take it. Read these statements:

### Victim of Stomach and Bowel Affliction

MR. WILLIAM GEISLER, 330 E. Washington St., Indianapolis, said: "I had been suffering the worst kind of agonies with my stomach. I got so full of gas in my stomach organs that I nearly burst. My food would sour and ferment and form a heavy lump inside of me. My bowels seemed dead and paralyzed and I had to take a strong physic every night, and I had constant

## ROMANCE IN OFFING

Again a woman's smile may change the destiny of Europe. Rumors from diplomatic circles suggest that Princess Maria, daughter of King Victor Emmanuel of Italy, may wed Archduke Otto, pretender to the Austrian throne. The marriage would insure Otto of Italy's support in restoration of the Austrian monarchy.

## GARAGE MEN BACK CODE ALTERNATIVE

Groups Plan Merger Under Self-Rule Plan.

All divisions of the automotive service trades have been invited to participate in a program of self-government as a substitute for code

regulations, Don Herr, local garage owner, announced today.

Because of the inability of the garage and automotive industries to agree on NRA codes, the two industries have organized for the purpose of sponsoring a general program of readjustment and business recovery in their own ranks, he said.

Weevils and other pests stored in grain may be killed by high frequency electricity, according to recent tests.

## C. M. T. C. TROOPS SET FOR DEPARTURE

Student Soldiers Reviewed Before Breaking Camp.

Citizens military training camp candidates passed in review today before Brigadier-General William K. Naylor at Ft. Benjamin Har-

risson and then packed valises and bags in readiness for their dismissal tomorrow morning. Promptly at 3:30 a. m. tomorrow reveille will be sounded. Mess-call will be at 5 a. m. with all candidates receiving mileage to their homes beginning at 6 a. m.

Hot Tar Starts \$200 Fire Workmen tarring the roof of a garage at 3543 North Pennsylvania street today caused a fire which did \$200 damage when they overturned a hot barrel of tar on the roof.

## C. OF C. STUDIES PLAN TO 'CUT' CLARK SCHOOL

Property Not Worth Cost to City, Is Claim.

The Indianapolis Chamber of Commerce is studying methods to cut George Rogers Clark public school, Thirty-fifth and Gale streets, from the school city, chamber officials announced today. The property on which the school

stands and that surrounding the building was bought by the city years ago. Now, due to litigation over the sale, the school city is forced to add 5 cents to the school levy for upkeep and payment of the school.

Chamber officials say that the school property is not worth the additional cost to the city, estimating that the school city has to pay approximately \$129,000 to Center school township for the school.
