

## HEATED BATTLE LOOMS IN RACE FOR HOUSE JOB

Byrns, Bankhead, Rayburn  
and Others Campaign  
for Speakership.

By Scripps-Howard Newspaper Alliance  
WASHINGTON, Aug. 30.—Elec-  
tioneering has been started by a  
handful of candidates for the prin-  
cipal legislative office in the land,  
speakership of the house.

The south's big three, and a fourth  
who is conceded a lesser chance,  
lost no time after the burial of  
Speaker Henry T. Rainey in chuck-  
ing their hats into the ring. The  
north and west have yet to report.  
Although the candidacies all are  
aimed nominally at the speakership,  
it is believed that with one excep-  
tion the aspirant would be content  
with the No. 2 job of the house—  
that of major leader.

Joe Byrns of Tennessee, present  
majority leader, is confident he will  
be elevated to the rostrum. Will-  
iam B. Bankhead of Alabama,  
chairman of the rules committee,  
and Sam Rayburn of Texas, chair-  
man of the interest and foreign  
commerce committee, are the other  
leading candidates, with John E.  
Rankin of Mississippi making a  
fourth.

### South May Split

Facing an electorate of 313 house  
Democrats—probably less after No-  
vember—these and other aspirants  
are sounding out their rivals and  
their colleagues, each with a view to  
forming a two-man coalition with  
strength enough to put over its  
components as speaker and as ma-  
jority leader.

The impression is crystallizing  
here that a Rayburn-Bankhead bat-  
tle for the majority leadership is  
inevitable. If these two powerful  
veterans should be unable to reach  
a private peace, the vote of the  
solid south's 102 Democrats might  
be split helplessly.

In that event a northerner or  
westerner may be able to line up  
enough support to slip in.  
Discussion of non-southerners  
here so far centers principally on  
James M. Mead of Buffalo, chair-  
man of the postoffice committee,  
and John W. McCormack, young  
Massachusetts member with only  
four terms behind him. There also  
is mention of two other New York-  
ers, Thomas H. Cullen and John J.  
O'Connor, but both are Tammany  
men.

### Mead to Run, Too

Clarence F. Lea, scholarly New  
Dealer from California, and Robert  
Crosier of Ohio, who is more popu-  
lar with labor than with the ad-  
ministration, also have been dis-  
cussed.

None of these is an avowed candi-  
date, but word from Buffalo indi-  
cates strongly that Mr. Mead will  
run.

Popular in the house, an eight-  
yearer who used to be a railroad  
switchman and has a powerful labor  
backing, Mr. Mead has supported  
the New Deal generally but bucked  
the President on the soldier bonus  
and on restoration of veterans' bene-  
fits.

The White House is expected to  
disavow any meddling, but the Presi-  
dent's views if privately circulated  
would carry tremendous weight.

### Texas Is Favored

It is now said the President would  
prefer Mr. Rayburn, who showed  
skill in piloting through the house  
such measures as those for securi-  
ties and exchange regulation. But  
Texas already has a top man in con-  
gress—Vice President John H. Gar-  
ner. Further, elevation of Mr. Ray-  
burn would give to Representative  
George Huddleston of Alabama,  
whose New Deal sympathies have  
been occasionally disputed, the  
chairmanship of the interstate and  
foreign commerce committee—  
which may be called upon to shape  
legislation to replace NRA.

Election of Mr. Bankhead as ma-  
jority leader would, on the other  
hand, give the rules chairmanship to  
Mr. O'Connor of New York. In this  
combination some see the logical  
way to appease the north, but it is  
questionable whether Mr. O'Connor  
has following enough to make this  
line-up satisfactory outside of  
Dixie.

The competing stratagems be-  
tween now and the assembling of  
the Democratic caucus in late De-  
cember will determine who shall in-  
herit these key posts, both of which  
are within striking distance of the  
Presidency.

### Park Exhibits Lion Cubs

## Indiana in Brief

By Times Special

MARTINSVILLE, Aug. 30.—Real estate formerly owned by the  
Martinsville Elks lodge has been selected as a site for the city's  
new postoffice. The price paid was \$10,000.  
Receivers who had been in charge of the property offered it to the  
government at \$15,000, but this was beyond the appropriation. Further  
negotiations resulted in reduction of the price.

The property was taken over several months ago by the Martinsville  
Trust Company and the First National bank in foreclosure proceedings.  
It is believed work of erecting the postoffice will be started in Oc-  
tober. Tenants of the property have been notified to vacate by Oct. 1.

### Trustee to Be Named

By Times Special

KOKOMO, Aug. 30.—Howard  
county commissioners are expected  
not later than tomorrow to select  
a trustee of Liberty township to  
fill the unexpired term of William  
H. Myers, for whom funeral services  
were held today.

It has not been disclosed whether  
the commissioners will consider for  
the place the two candidates for  
trustee, Lawrence D. Stahl, Demo-  
crat, or Rollo Dawson, Republican.  
If they are considered, it is be-  
lieved Stahl is most likely to be  
selected. A new trustee is to be  
chosen at the November election.

### Fire Loss Increases

By Times Special

ALEXANDRIA, Aug. 30.—Fire loss  
in Alexandria for the first seven  
months of this year already exceeds  
the loss for all of 1933. One fire  
alone this year caused a \$7,000 loss.

### PERMANENT TRUSTEE ASKED BY COMPANY

Temporary Chief Urged to Retain  
Telephone Post.

George M. Barnard, temporary  
trustee of the Southern Indiana  
Telephone and Telegraph Company,  
will be recommended to Federal  
Judge Robert C. Baltzell as perma-  
nent trustee, Carl Wilde, special  
master of chancery, has announced.  
The company is reorganizing un-  
der the national bankruptcy act and  
will lay plans for a new setup by  
Oct. 15, Mr. Barnard announced.  
The company, with headquarters  
in Seymour, covers thirty-six In-  
diana communities and has 12,000  
telephones. Mr. Barnard has settled  
16,000 claims and added \$2,000 a  
month revenue, he said. Mr. Bar-  
nard was appointed receiver last  
December.

### DENIES FARLEY ASKED DOG TRACK CLOSING

Deputy Attorney-General Explains  
Dearborn County Action.

Denial of reports that Post-  
master-General James A. Farley  
requested closing of the West Har-  
rison dog racing track in Dearborn  
county was issued today by J. Ed-  
ward Barce, deputy attorney-gen-  
eral.

The track was closed following a  
visit to Dearborn county by Mr.  
Barce and two state policemen. Mr.  
Barce said he acted on gambling  
complaints sent to his office by  
Dearborn county residents after op-  
erators of the track obtained an or-  
der restraining the local officials  
from interfering.

Reports were current yesterday in  
Dearborn county that the operator  
of a competitive track in nearby  
Cincinnati had obtained aid of Mr.  
Farley in getting the track closed.

## YOUNG TRIO TO LEAVE TONIGHT FOR AIR RACES

Model Planes Will Compete  
in Contest; The Times  
Finances Trip.

Three Indianapolis youths will  
leave tonight for Cleveland, where  
they will compete in the Scripps-  
Howard national air races flying  
model contest as representatives of  
The Indianapolis Times.

The three are Vernon Boehle,  
James Cahill and Robert Huddles-  
ton, members of the Brookside  
model plane club.

Boehle and Cahill, both veteran  
model plane builders, are being  
sent by The Times with all ex-  
penses paid to take part in the  
Cleveland contest because of win-  
ning championships in the Akron  
national contest early this summer.

### Third Member Chosen

Huddleston was chosen as the  
third member of the group because  
of the splendid showing he made in  
the American Legion national model  
plane contest here last Saturday and  
Sunday.

Huddleston was second only to  
Boehle in the number of points won  
in the various events of the legion  
contest.

In Cleveland, the boys will find  
entertainment and thrills galore.  
The model contest will be held at  
the airport, where the national air  
races are to be staged, the model  
contest being concluded just before  
the big races start.

### To Meet Famous Fliers

Following the model contest, a  
famous fliers' luncheon will be held  
at the airport. At that time, the  
youthful contestants will meet some  
of the world's most noted fliers.

In the afternoon, the boys will be  
guests at the air races, and that  
night a beach party will be held  
west of Cleveland with a beach fire  
dinner and bathing on the program.

Some of the noted fliers in the air  
races will serve as judges for the  
five model plane events.  
These will include Colonel Roscoe  
Turner, cross-country flight record  
holder; Flight Lieutenant-Commander  
R. L. R. Atcherly, noted British  
aerobatic flier; Milo Burcham, fa-  
mous upside down flier, and Ben  
O. Howard, designer and flier of  
racing planes.

### Mishaps Delay Start

Start of the local youths to Cleve-  
land has been delayed by the ne-  
cessity for building new models and  
working over old ones as result of  
misfortune in the legion contest  
here.

Three planes entered by Boehle  
flew so long and so far that they got  
out of sight and were lost.

All three of the youths have excel-  
lent chances of winning high recog-  
nition in the Scripps-Howard con-  
test, according to Herschel Knight,  
sponsor of the Brookside club.  
Each of the youths has been a  
member of the Brookside club since  
it was formed and all three are ex-  
pert model builders.

Rate of \$3.

the next session of the general as-  
sembly to reduce the passenger au-  
tomobile registration fees to a flat  
rate of \$3 a year, Tod Stoops, sec-

retary-treasurer of the club, said  
today.

Motorists now pay a minimum  
rate of \$5 and a maximum rate of  
\$10 with few motorists eligible for  
the \$5 fee, Mr. Stoops said.

Mr. Stoops announced that motor  
clubs in Ft. Wayne, Evansville, La-  
ayette and Terre Haute would aid  
in the campaign for a reduced reg-  
istration fee.
