

## URGES SIMPLE PRECAUTIONS ON SEA CRAFT

Use of Flashlights Would Tend to Avert Panic Aboard Liners.

Arthur E. Willis, lieutenant in the United States naval reserve and former representative of the United States shipping board, believes that the loss of life in ship disasters could be minimized by certain simple precautions which never have been undertaken by ocean liners. The following is a list of three dispatches in which Mr. Willis outlines his recommendations.

BY ARTHUR E. WILLIS  
Lieutenant U. S. Naval Reserve  
(Copyright, 1934, by United Press)

NEW YORK, Sept. 11.—The most formidable and terrifying of all dangers at sea is fire. It spreads with such incredible and paralyzing speed that resistance becomes disorganized. A fire once gaining headway on a modern passenger ship—particularly in the upper decks—has very little chance of being arrested until it has spent itself. Elaborate ships' ventilating systems not only serve to fan the flames, but distribute the burning particles all over the vessel; heavy layers of paint act almost as films of celluloid to conduct fire throughout the interior.

When fire breaks out, some measure of panic is bound to ensue. Darkness, more than any other factor in a marine disaster, brings terror to the passenger, unfamiliar with his surroundings. In almost all major casualties, ships' lights soon fail.

Flashlights Are Urged

One simple precaution which all ship companies should adopt is to provide flashlights for every one aboard. With flashlights strapped to the lifebelts in every cabin, the fears and difficulties of darkness would disappear. Passengers groping for the lights automatically would take their life belts at the same time.

Proper boat drills—to which I shall refer in a subsequent dispatch—would insure that flashlights were kept in working order at all times. No lifesaving precaution would cost less, and provide a greater measure of safety.

One merely has to read the newspapers to understand the horrors of darkness during a marine disaster. Passengers trapped below the maze of decks, passageways and stairways find the normal difficulties of making their way in unfamiliar surroundings intensified a thousand-fold when darkness envelops them.

Give Way to Panic

Children, parents, husbands and wives lose touch with one another, and cut off from the deck by blackness, give way to stark panic. When the catastrophe comes during the day, the huge interior of the modern passenger ship is illuminated almost solely by artificial light.

As long as ships sail the sea they are liable to be overtaken by disaster. Modern progress has done much to reduce such risk and American ocean-going ships have been singularly free from such misfortunes.

But that disaster which has overwhelmed the S. S. Morro Castle serves to remind us that risk never can be escaped entirely. The consequences of such disaster have been reduced greatly.

Nevertheless, they can be and should be reduced still further.

Pleasant Relief, New Way!  
HIMROD MEDICINAL CIGARETTES quickly clear the nasal passages; lessen watery discharges of nose and eyes; ease distress of Asthma. A few puffs bring relief! Contains no tobacco or narcotics; non-habit forming. WALKER'S, HOOK'S Dependable Drug Stores or other good drug stores.

## DRUGGISTS SAZE AT INDO-VIN AND FOR NEW INDO-VIN MEDICINE; SALES GREATEST IN HISTORY

Larger Crowds Than Ever Before Now Flock to Hook's Drug Stores for This Modern Medicine.

Day after day, INDO-VIN continues to ASTOUND this entire section. Druggists and public alike making their way in unfamiliar surroundings intensified a thousand-fold when darkness envelops them.

What Indo-Vin Is:

An advanced medicinal formula of 29 separate medicines, and not one a habit forming drug. It is taken after meals and mixes with anything in one's stomach, thus throwing off the poisons that foster stomach troubles and permitting the kidneys and liver to function properly. It acts within 10 minutes to stop gas and pains, sourness, bloating and belching.

It will bring out awful impurities (frequently from the first dose) which many have been causing you many days of misery with headaches, dizzy spells, skin eruptions and a lazy, drowsy, tired feeling.

It will cleanse your bowels (gradually—not drastic or severe) as they were NEVER CLEANSED BEFORE.

Indo-Vin will relieve acid conditions and make the stomach and digestive organs sweet and clean.

IT WILL give you the greatest appetite you EVER HAD IN YOUR LIFE.

INDO-VIN will act as a diuretic to sluggish kidneys and flush out quantities of impurity that may have been causing BACKACHE, SHARP PAINS and RISING AT NIGHT.

Relieves children from bed-wetting in a few days.

IT WILL make your liver more active; will work the old bile from the liver, thus relieving spells of biliousness and sick headaches, strengthens the nerves by natural means without harmful drugs.

RELIEVES rheumatism and neuritis by driving out the metabolic poisons that cause the awful aches and pains, giving quick relief.

IT WILL put a stop to the skin eruptions that are caused by impurities in the organs, will overcome the sallowness or "muddiness" that is

**MR. OWEN V. HOMEWOOD**  
Widely-Known Indianapolis Man States, "Years of Suffering Left My Body." Was Kidney and Nerve Victim. His Statement Appears Below.

due to a sluggish liver, and will put the RUBY GLOW OF HEALTH into your cheeks. The unfailing remedy for female complaints.

INDO-VIN will make your stomach, liver, kidneys and bowels more active; build you up in general and make you LOOK, ACT and FEEL like a DIFFERENT MAN OR WOMAN, years younger than you are.

For instance, following are JUST A FEW testimonials, selected at random from among the HUNDREDS that are being received from this vicinity, praising Indo-Vin, describing its action and urging ALL WHO SUFFER to get it and take it. Read these statements:

**Kidney and Nerve Victim**

MR. OWEN V. HOMEWOOD, of 41 N. Temple Ave., Indianapolis, said: (Photo appears above). "My kidneys were so deranged that they got me up all night. I couldn't sleep on account of this constant rising, would hear the clock strike hour after hour and then get up in the morning feeling as worn out as though I had never been to bed at all and would be so stiff and sore across my kidneys that I could hardly stand it. I always felt 'faced out' in the mornings. I was just a 'bundle of nerves' and couldn't get a decent night of rest and I would drag through every day half-sick and all of my energy had gone from my body. I tried ALL KINDS of medicine, but Indo-Vin was the only medicine I ever found that turned out to be what I needed. My kidneys are acting in a normal manner now and I can go to bed and sleep and don't have to keep getting up and down all night and I don't have any kidney misery in my back. I feel fine in the mornings now and my energy has increased ten-fold since this medicine had its wonderful action on my nerves. This medicine is a 'wonder' and I gladly endorse it."

Now Being Introduced at a Price Every Person Can Easily Afford.

**Awful Rheumatism**

MR. JOHN HUGHES, of 2114 E. Plum St., New Castle, Ind., said: (This is just ONE of the many letters from all over this section). "These agonizing rheumatic pains centered right in the joints of my knees, and sometimes I was down in bed all doubled up with misery. Had to walk with a cane ALL THE TIME. Took medicine upon medicine, but kept on suffering and got to the place where I didn't know what to do for myself. I heard about Indo-Vin and I got this medicine and I took it. It helped me FROM THE START and gradually the rheumatism began to move right out of my body. Now I can walk without the cane. Have gone back to work and feel like I never had a sick day in my life. I will praise this medicine every chance I get."

**A Stomach Victim**

MR. JOHN DRAKE, of 1421 S. Illinois St., Indianapolis, said: "For TWO YEARS I had been in an awful state of health. My stomach was always upset and I was simply FULL of gas after my meals, and this gas even had its effect on my heart and the least little thing would exhaust me and take my breath away. I was subject to dizzy spells. I got Indo-Vin and this medicine started to work inside of me before the FIRST bottle was half used. It had a wonderful action on my stomach and it stopped all the terrible gas pains and the misery around my heart, and the dizzy spells never came over me any more. In fact, it improved my WHOLE SYSTEM and I am now able to publicly endorse it to all poor suffering people."

**Not an Expensive Medicine**

Today Indo-Vin is being shipped in CARLOAD LOTS to Chicago, Philadelphia and other great centers; produced in such large volume that we can introduce this high-quality medicine at prices lower than you would pay for many ordinary medicines. Costs only a FEW CENTS A DAY to take Indo-Vin, so if you are run-down, have tired, sleepy feeling, or headachy, sick and bilious, you certainly owe it to yourself to give this new, advanced medicine a trial.

NOW BEING introduced to large crowds daily here in Indianapolis by The Indo-Vin Man in person at Hook's Drug Store, Illinois and Washington streets. Also sold by all other Hook Dependable Drug Stores, and leading druggists in every neighborhood in town throughout this whole Indianapolis section.—Advertisement.

## CLOTHIERS TO EXHIBIT STYLES

Fall Show to Feature Joint Convention Here of State Groups.

New fall and holiday styles in men's clothing will be displayed here at a joint convention of the Indiana Retail Clothiers' and Furnishers' Association and the Indiana Sales-

men of Men's Wear, Sunday, Monday and Tuesday at the Claypool. Business sessions will be held Monday and Tuesday. More than 200 clothiers and clothing salesmen are expected to attend.

The committee in charge of the merchandise display is headed by Floyd E. White, assisted by Earl Fortney and Harry Zekind, all of Indianapolis. The entire eighth floor of the hotel has been reserved for the exhibitions.

Alex F. Hirsch, Bloomington, is president of the clothiers and will preside. Other officers of this association are Louis Todd, Shelbyville, vice president; Isadore Kornblum,

Indianapolis, treasurer, and William E. Sullivan, Bloomington, secretary. Officers of the salesmen's association are Jack Rohr, president; Jack Cohn, vice-president; Arthur Moore, treasurer, and R. B. Wallace, secretary, all of Indianapolis.

The English House of Lords spends \$400 a year for dusting of its books.
