

SUICIDE RATE IN MARION COUNTY SHOWS DECLINE

Few Ended Lives Because of Money Troubles, Coroner Says.

The most hopeful sign of better times shown in the 1934 report of the Marion County coroner is that the suicide rate dropped 24 per cent under 1933, according to Coroner William E. Arbuckle.

Of the 78 suicides, as compared to the 102 of 1933, few were as a result of financial worries, Coroner Arbuckle stated.

The murder rate has jumped alarmingly with 69 in 1934 as compared to 38 in 1933. These figures include victims brought into county hospitals from outside the county.

The Marion County traffic toll was 138 last year and 131 in 1933.

In 1934 there were 37 deaths due to heat, all of them occurring in the suffocating month of July. In 1933 there were five heat deaths. Alcoholism deaths were 13 last year and 12 in 1933. Fifty-eight persons died as a result of falls in their homes in 1933 and 59 last year.

The most popular method of murder was killing by gunshot wounds, with 41 in 1934. Twenty-two persons died of self-inflicted bullet wounds, while 30 suicides were a result of taking poison.

The most unusual death, and one which Miss Sartor found difficult to classify, was the death of a Franklin (Ind.) polo player who died from being injured in a game at the Indiana State Fairground Coliseum.

GIRL SCOUTS TO AID IN HOUSING PROGRAM

New Augusta Troop Will Act as Hostess in Exhibit.

New Augusta Troop, No. 5, will serve as hostess group at the Exhibition House Sunday in the Girl Scouts' effort to bring 75,000 persons into the house, remodeled on the south lawn of Federal Building from an old shack as an example of what can be accomplished under the National Housing Act.

The troop will strive to bring more persons into Exhibition House Sunday than Troop 9 did last Thursday when 1504 persons were registered. The Scouts receive permanent possession of the house after they have entertained the 75,000th person. The conditional gift to them was made by officers of the Indianapolis Chamber of Commerce and Construction League, responsible for the remodeling of the house.
