**GOLDEN GLOVES BOXERS, NOTICE!**

**DETAILS AND DATES ARE GIVEN**

ALL of the big news for the amateur boxers of this district was released today by the athletics officials of the Bruce P. Robison Post of the American Legion. The third annual Indianapolis Golden Gloves tournament is coming up. It will be conducted, as usual, by The Times, as sponsor, under the auspices of the Legion directors.

There will be a Novice class as well as the Open division. This arrangement will attract more entries and increase the quantity of entertainment for the followers of the amateur glove throwers.

Entrants must be 16 years of age or over and must have consent of parents or guardian to participate in the punches. There is no entry fee except 25 cents registration with the Amateur Athletic Union.

Winners in the Open class will be taken to Chicago to box in the Tournament of Golden Gloves Champions to be held Feb. 25. Winners in the Novice class won't be eligible to enter the Tournament of Champions, but will be given suitable prizes here.

#### In Eight Classes

THE dates of the Times-Legion Golden Gloves shows are Jan. 25, Feb. 1 and 15, at the National Guard Armory. Boxers will be grouped in eight different classes, as follows: Flyweights, 112 pounds; bantamweights, 118; featherweights, 126; lightweight, 135; welterweights, 147; middleweights, 160; light heavyweights, 175, and heavyweights.

All amateur boxers looking forward to action in the Golden Gloves matches are urged to begin training at once and be ready to weigh in on the day of the first night's bouts. No boxer can compete unless he makes his required weight on the day of the night he is scheduled to perform. Moreover, all boxers must pass a complete physical examination on the day of bouts. Golden Gloves physicians will be on hand to give each lad a thorough "going over."

#### Two-Minute Rounds

THE length of Golden Gloves bouts are three two-minute rounds. Entries will close the night of Jan. 23. If you think you have the required experience, enter the Open class, but if you think you are short of glove knowledge to mingle with the professionals, the Novice division will take care of you.

## OFF THE BACKBOARD

BY PAUL BOXELL

NOBLESVILLE's Millers have dispelled all doubt that they were playing lively, over-the-head ball in the early part of the current season. After losing their opener, Maurice Kennedy's apt pupils mowed down eight straight, and started the New Year off with a decisive 25-to-17 victory over Lapel.

What's Lapel, you say? Lapel is the annual jitters jinx to Alexandria and Anderson in Madison County. This campaign the Bulldogs hadn't lost a regular season game until they bumped into the Millers. Lapel was a 25-to-17 victory for the Millers in the Madison County tournament. But some teams don't put their whole heart into seasonal tournament games... the Berries, for instance.

Crawfordsville, slowly regaining its balance after numerous knockdowns in the early rounds, invades the Noblesville Armory tonight. If Coach McCullough and his Athenians outrun the Millers, it will put a feather of visible size in their respective hats.

THE Lebanon Tigers invade the Shortridge goally tonight wearing six victory stripes and three of the setback variety. The Tigers hadn't been trapped in their home court since February of 1934 until Jeff of Lafayette snared 'em last Tuesday. Mr. Al Wynekoop of the Lebanon Reporter applies the revenge leash to the Tigers for tonight's growth thistle.

The Tigers are billed to battle Kenny Peterman's Shortridge Blue Devils at Indianapolis Friday night. Remember that awful lambasting the Tigers took at the hands of Shortridge last season? Well, if the Tigers can take a few sound thumpings and still get down to the fieldhouse we'll pick no quarrel. Shortridge, you remember, drubbed the locals by a margin of more than 40 tallies last season, but lost out in sectional play, while the Tigers made it to the fieldhouse. That may not be the route to the L. H. S. A. final showing this year, so the Tigers might strive to atone at least in a measure, for that terrible

## Ranking Aces Take Opening Paddle Tests

**Inman, Prouty Lead Seeded  
Players in Sweep;  
Resume Today.**

Play in the Indiana open table tennis tournament was resumed today at the L. S. Ayres auditorium, with men's singles and doubles events having run true to form yesterday. All high-ranking players swept through first round opposition yesterday, with Mills, Coulson, Rowe, Ryker, Adams and McDowell, top-seeded paddlers, scoring two victories to advance to the third round. Joel Inman, Indianapolis favorite, was extended to three games in a first-round encounter with Al Johnson of Indianapolis. Carleton Prouty, ace Chicago contender, moved to the second round with a decisive triumph over Copeland of Indianapolis.

The "dark horse" limelight today centered on Dan Kreer, a 14-year-old entrant from Chicago, who showed amazing skill in tripping Prouty in an exhibition set yesterday. Kreer opened competition today.

Men's division sessions were to be joined by women's and mixed doubles play at 2:30. Action will continue until 5:30 when a recess of an hour will be called. Play will continue in the night until semi-finals brackets are reached.

## County Quintets Eye Annual Play

**Title at Stake in Games of  
Jan. 11, 12.**

The annual Marion County high school basketball tourney, exclusive of Indianapolis teams, is to be played at the Armory, Jan. 11 and 12.

Ben Davis and Southport again will be the two leading contenders for the title, with Warren Central, Decatur Central and Acton as dark horses. Beech Grove, Casselton, New Bethel, Lawrence and New Augusta will be out to upset some of the favorites.

The tourney this year promises to be one of the most interesting county events ever played. According to the county schools season records, the city schools will encounter keen competition when the state sectionals roll around.

Southport, one of the outstanding county teams, will play Warren Central, who also boasts of a near perfect record, at the Warren gym tonight.

Drawings for the tournament will be made tomorrow morning at 10 o'clock in the offices of the county superintendent in the Courthouse.

## Big Ten Lifts Lid Tomorrow Night

## SHAUGHNESSY SILENT ON HARVARD OFFER

By United Press

CHICAGO, Jan. 4.—Clark Shaughnessy, Chicago football coach, steadfastly refused today to make any comment on the persistent report that he will be the next Harvard football coach. Vice President F. C. Woodward said that every effort would be made to retain Shaughnessy at Chicago. It is believed that if the Harvard job actually has been offered to Shaughnessy, as insisted in some quarters, he still is deliberating over the advisability of making a change.

FAVORED to meet in the final set of the men's singles in the Indiana open table tennis tourney now in progress here, Joel Inman of Indianapolis and Carleton Prouty of Chicago are shown as they swung into action at the L. S. Ayres auditorium yesterday.

## Packer Foes Have Impressive Roster

**Bendix Five Is Coached by  
Former City Star.**

The local Hilgemeier Packers will attempt to stretch their consecutive two-season basketball winning streak to 32 games at the expense of the Bendix Corp. of South Bend, whom they tackle Sunday at the Armory.

The Bendix team boasts a strong lineup, with nine victories and two defeats as a season's record. The squad is coached by Kenny Roberts, former star player with the local South Side Turners and Tech High teams. Roberts participated in 11 consecutive National A. A. U. tournaments.

Other well-known players on the Bendix roster are Kenney Young, all-state selection of La Porte High School, and winner of the 1930 Gimbel Medal at the state finals; Red Thompson, all-state forward of Frankfort's 1928 champions; Stewart Locke, also an all-state High School selection from Frankfort, and Vic Griewank, 6-foot-8-inch center, formerly with Washington & Lee and Wisconsin Universities.

Charlie Shipp, mainstay Packer forward, was injured in an auto accident early this week and will see action only in part of the game which will start at 5 p. m.

## Billiard Ace Wins Exhibition Contest

Edwin Rudolph, three times world pocket billiards champion, who is giving a series of free exhibitions in Indianapolis, defeated Cyrus Sochalski, former Michigan state champion, 125 to 43, at the Uptown Recreation parlors last night. Rudolph won 10 innings, with two high runs of 40. His schedule for today: 12:30, Columbia Club; 3:30, Board of Trade; 7:00, Parkway Recreation; thirty-fourth and Illinois-sts; and 9:30, Fountain Square Recreation.

## Ring Battlers to Renew Rivalry on Armory Card

**Return Bout Between 'Socking Soldier' and Wallace  
Heads Tonight's Program of Eight Fights.**

Eight scraps will be offered at the Armory tonight when the Hercules A. C. stages its fourth "California style" fight card. Each bout is scheduled for four rounds, and action gets under way at 8:30.

Tonight's program is expected to be as good, if not better, than the card held a week ago, when four matches ended in knockouts. The complete program tonight follows:

Jackie Cooper, Muncie, vs. Cherokee Bob Reese, Cincinnati; bantamweights.  
Ted Ramey, Lebanon, vs. Jake Shields, Cincinnati; lightweight.  
Harry Wallace, Anderson, vs. Jimmy Shannon, Greenwood; lightweight.  
Bully Broadlove, Greenwood, vs. Jimmy Burke, Cincinnati; lightweight.  
Tillman Garrett, Ft. Harrison, vs. Mike Dupack, Indianapolis; lightweight.

Several rival scraps are on tonight's bill, with special interest centering around the return match between Jimmy Wilson, the "Socking Soldier," and Noble Wallace, local light heavy. The pair staged a slugfest last Friday, with Wallace annexing a close decision.

The Tigers and Cardinals have split games in each of three previous seasons they have been rivals. Comparative figures from games with other opponents this season show Ball State bowed to Indiana, a team De Pauw defeated, but the Muncie five scored a more impressive win over Earlham than did the Tigers.

## Quakers Rally to Defeat Huntington

By United Press

HUNTINGTON, Ind., Jan. 4.—Scoring 15 points in the last eight minutes of play, Earlham College came from behind to win a 37-to-27 basketball victory over Huntington College here last night.

Huntington had led 25 to 22 prior to the rally by Hunt and Rothermal, Earlham forwards. The score was tied at the half, 16-all. Pagan, Huntington forward, led the scoring with 11 points. Rothermal and Jordan each scored nine points for Earlham.

## Perhaps the Referees Couldn't Whistle

Charity is okeh in its place, but two Illinois high school basket teams don't believe in wasting it on rival opponents. Eldorado and Shawneetown met recently, 66 points were made—and not a single counter was tallied on a foul. Eldorado won, 44-22.

## Butler Coasts to 37-31 Win Over Chicago

**Bulldogs to Play Franklin  
Five on Local Floor  
Tomorrow Night.**

The Butler basketball team coasted to a 37-to-31 win over the University of Chicago quintet at the fieldhouse here last night to give the Bulldogs an even break in their four scheduled encounters with Big Ten opponents.

Previously Butler had defeated Illinois decisively and lost to Purdue and Northwestern by close margins. The Bulldogs will entertain Franklin's Grizzlies here tomorrow night.

**Victors Start Fast**  
Coach Tony Hinkle's squad got away to an early lead in the encounter with Chicago and was ahead at the half, 18 to 9. Each of the Butler regulars who started the game scored at least once from the field. Several Bulldog reserves were given a chance to perform in the last period.

Roscoe Batts led the scoring for Butler with 10 points and "Army" Armstrong was close up with 9. Demmay made 7. Haarlow, touted Chicago forward who finished third in Big Ten scoring last season, was held to one goal from the field. Lang led the visitors with 9 points.

**Locals Pass Well**  
Jones and Bradford sent the Bulldogs off in the lead with free throws, but Lang and Haarlow hit from the field to give Chicago a 4-2 edge. Armstrong tied it up by scoring from under the basket. Haarlow made a free throw and Demmay tied the score at 5-all with a charity toss, then followed in on a missed shot to make a field marker.

Butler never was headed after that, although the Maroons rallied under Coach Hinkle sent in reserves. Hinkle and the Maroon coach, Nelson Norgren, are Chicago products.

Although the game as a whole was ragged, Butler showed flashes of brilliant passing. The Bulldog regulars were superb on follow-in shots.

## Central Normal in Revenge Triumph

By Times Special

CHARLESTON, Ill., Jan. 4.—The Central Normal basketball team from Danville, Ind., came from behind to defeat the Eastern Illinois Teachers, 43 to 30, in a basketball encounter here last night.

Eastern Illinois led until the last 10 minutes of the game, but weakened and dropped behind. The score at the half was 19 to 16 in favor of the Teachers. Wilson and Martin led Central Normal's attack with 12 points each. The victory enabled the Purple Warriors to atone for a defeat at the hands of Eastern Illinois earlier in the season.

## DINNER FOR IRISH TEAM

By Times Special

SOUTH BEND, Ind., Jan. 4.—The Notre Dame Alumni Club of the St. Joseph Valley will give the fifteenth annual civic testimonial dinner for the Irish football squad and coaches here Jan. 15. John T. McGovern, New York, counselor for the Carnegie Foundation, will be toastmaster.

## DETROIT ICE TEAM WINS

DETROIT, Jan. 4.—The Detroit Olympics defeated the Syracuse Stars, 7 to 4, in an overtime International Hockey League game here last night. Modere Bruneteau scored the tying goal with five seconds to play.

## MANUAL FROSH COP TILT

The Manual High School freshman basketball team defeated the Cathedral fresman quintet, 26 to 19, yesterday at Cathedral gym.

## Stonehouse in Champ's Role

**Local Golf Pro Seeks to  
Retain Miami Open  
Title.**

By United Press

MIAMI, Fla., Jan. 4.—A record field of 171 golfers teed off to day in the 72-hole Miami open. Ralph Stonehouse, Indianapolis, is defending the title.

The 1931 record list of 170 was exceeded last night when Johnny Farrell, former champion, wired from St. Augustine he was coming for the meet.

Bobby Cruickshank, Richmond, Va., winner of the recent British Colonial Open at Nassau, turned in a 69 yesterday.

The Miami Open, one of the oldest money tournaments in the South, has been an annual event for 11 years.

The \$2500 medal play tourney attracts the nation's leading golfers. Stonehouse won the title late in 1933. It was the first major triumph for the Hoosier sharp-shooter on the winter golf circuit. He and Henry Cluct teamed to win a professional best-ball tournament here last week.

## Baer to Take on Hunt in 4-Round Bout at Detroit

**Joe Louis to Fight Perroni  
in Regular Go.**

By GEORGE KIRKSEY  
The Detroit Evening News

DETROIT, Jan. 4.—Max Baer, world's heavyweight boxing champion, and Joe Louis, Detroit Negro who has punched his way to the front ranks of the contenders, will appear in the same ring at the Detroit Olympia tonight but not against each other. That attractive bout—Baer vs. Louis—appears to be in the offing some time late in 1935.

Baer tonight faces Babe Hunt, veteran Oklahoma battler, in a four-round exhibition.

Louis, who has won 12 straight victories, ten of them by knockouts, battles Patsy Perroni, Cleveland, in 10 rounds.

Baer and Louis are the two most talked about fighters in the heavyweight division, and promoters Nate Lewis and Jim Mullen of Chicago expect a capacity crowd of 15,000. If the show is a sellout as indicated, the net receipts will be \$22,412, five times as much money as any boxing show has drawn in Detroit in three years.

Louis rules a 9 to 5 betting favorite over Perroni, a tough trial horse who holds two decisions over Johnny Risko, Tex Rickard's old "spoiler." The wise money is on Perroni. Baer himself believes that Perroni has too much experience for the Detroit Negro making his first big start in his home town.
