

**'CROOKS LOBBY'  
LAUDS BILL TO  
CURB PISTOLS**

Makes Nice Picking for  
Us,' Says Letter Read  
to House.

The "Indiana crooks" lobby, not  
represented in Statehouse corridors, today wrote a letter to  
Rep. Morris H. Coers (D., Indianapolis), thanking him for his introduction of a bill banning the possession of pistols and revolvers.

"We crooks of Indiana," said a  
letter read from the rostrum by  
Speaker Edward H. Stein, "thank  
you for the 'disarmament' bill. This  
bill makes nice picking for us. Good  
citizens will be afraid to carry  
pistols or have one around. We are  
holding a meeting now and drinking  
a toast to you."

Republican and Democratic members  
laughed heartily.

The bill, introduced jointly by  
Reps. Coers, Martin J. Downey (D.,  
Hammond) and Frank G. Thompson  
(D., Bluffton), with administration  
approval, provides strict regulations  
for the purchase, sale and custody  
of weapons.

Mere possession of a weapon at  
the time a crime of violence is com-  
mitted would be made prima facie  
evidence of intent to use the  
weapon in commission of a felony,  
and fines up to \$1000 and imprisonment  
from one to ten years are provided.

Persons previously convicted of a  
crime of violence would not be per-  
mitted to own a pistol and dealers  
would be required to report pur-  
chases to chiefs of police within six  
hours after sales.

Public display or advertising of  
pistols would be prohibited, and  
pawn dealers would be prohibited  
from taking them as security for  
loans.

**Coal Tax Proposed**

A 5-cent tax on each ton of strip  
mine coal produced in Indiana and  
marketed in the state was pro-  
posed in a bill introduced yesterday  
in the House by William H. Lee (D.,  
Princeton), Bennett H. Rockey (D.,  
Sharpville) and Lee E. Shafer (D.,  
Royal Center).

Revenue would go to the Conserva-  
tion Department for use in leveling  
and reforesting the strip mine  
territory and for reforestation any-  
where in the state.

**Salaries Are Studied**

Legislative leaders today prepared  
to study alleged inequalities in the  
salaries of county officers in  
preparation for the introduction of  
amendments to the State salary  
law.

Recorders are reported seeking  
salary increases because of addi-  
tional work imposed by Federal loan  
laws, and sheriffs want additional  
fees for county patrol work.

**Legislators Are Feted**

Almost 100 members of the Gen-  
eral Assembly last night were guests  
of the Indiana State Chamber of  
Commerce and the Indiana Com-  
mercial Secretaries Association at a  
Columbia Club dinner. Gov. Paul V.  
McNutt also attended.

1 If your physical let-down is evidenced by lack of appetite...  
loss of weight...nervousness...paleness...a tired feeling  
or lassitude caused by a lowered red-blood-cell and hemoglobin  
content in the blood—then S.S.S. is waiting to help you...though,  
if you suspect an organic trouble, you will, of course, want to consult

Make S.S.S. your health safeguard and, unless your case is

2 Take a course of S.S.S. Remember, your present run-down  
condition may have been a slow, gradual process. Likewise,  
a reasonable time is required to rebuild full strength. S.S.S. is not  
a miracle worker—no rebuilding tonic is—but it is a scientifically  
proven and time-tested medicine. This is your guarantee of satisfaction.  
Its benefits are progressive...accumulative...and enduring.

3 Moreover, S.S.S. is not just a so-called tonic. It is a tonic  
specially designed to stimulate gastric secretions, and also  
has the mineral elements so very, very necessary in rebuilding  
the oxygen-carrying hemoglobin of the blood. This two-fold pur-  
pose is important. Digestion is improved...food is better utilized  
...and thus you are enabled better "carry on" without exhaust-

If your condition suggests a tonic...if you tire easily...get  
a bottle of S.S.S....take an appetizing portion just before meals.  
You will find it is truly a blood and body tonic. You should feel  
and look years younger with life giving and purifying blood sur-
