

Three Teams Tied for City League Lead

Boys' Club, Shelby and Ripple Unbeaten After Second Round Play.

Three teams were tied today for the lead in the Em-Ro Senior Football League, the Boys' Club, Shelby Service and Broad Ripple Merchants all having perfect records. The scores of yesterday's games were: Boys' Club 6; Holy Cross 0; Shelby 6; 13; Irvington Merchants 6; Broad Ripple Merchants 6; Brightwood A. C. 0, and So-Athics 6; Beech Grove 0.

A crowd of 2500 saw Myron Brown, Boys' Club full back, crash through on an off tackle play late in the final quarter at Garfield Park to defeat Holy Cross.

Broad Ripple kept its record clear when Tegg, full back, tallied a touchdown against Brightwood at Brookside Park.

Shelby Service registered its second victory by downing Irvington, Burke and Clinton starred for the winners, while Schwimmer was outlasted for Irvington.

A large crowd witnessed the So-Athics triumph over Beech Grove at Christian Park. Trout, Spill, Kelley and Krebeck led the Athics to victory.

The standings, including yesterday's titles:

	W.	L.	Pct.
Boys' Club	2	0	.667
Shelby Service	2	0	.667
Broad Ripple	2	0	.667
So-Athics	1	1	.500
Brightwood	1	1	.500
Holy Cross	0	2	.000
Irvington	0	2	.000

SEVEN hundred totals seem to be a weekly occurrence during the present season, and it appears that last week might prove an exception, Mill Wimberly altered the situation with a 702 in the Fountain Square Recreation League Friday night. This tenpin veteran, after halting two pins short of the mark in the Link-Belt League the week previous, smacked our games of 228, 243 and 231 in his Fountain appearance.

Both individual and team scoring showed a decided improvement during the five nights of pin smashing, 114 individual counts passing the 600 mark and six team totals being better than 3000. Paul Stemm continued his dynamiting with a pair of hefty 600s, one a 698 that proved runner-up to Wimberly's 702 for the week's honors. The 698 came during the Indianapolis League session of Wednesday night, and was made possible through games of 246, 194 and 238. He also connected for a 657 in the South Side Business Men's League on Monday night.

Stars of the Week

Don Johnson and Red Mounts neared the 700 mark during the Fountain Square session. Johnson mowing over 693 as Mounts swept the alleys for a 691. Other outstanding individual performers of the week were Jess Pritchett Jr., 682 in the Indianapolis; Bill Sargent, 672 in the Knights of Columbus; Frank Johns, Jr., 668 in the Fountain Square Merchants; Carl Hardin, 667 in the Indianapolis; Harry Wheeler, 667 in the Fountain Square and 665 in the Indianapolis; George Scheidt, 666 in the Printcraft; Bob Hartman, 665 in the Evangelical; John Blue, 662 in the Washington; Phil Biagi, 660 in the South Side Business Mens; Bruce Johnson, 654 in the Indianapolis; Otto Krebs, 654 in the St. Cecilia Merchants; Ed Stark, 651 in the Fountain Square; Stanley Caster, 651 in the Automotive and Neil King, 650 in the Indianapolis.

Martott Team Leads

Martott Shoe Store garnered the best team total of the week as they faced the pins during the regular session of the Indianapolis loop.

Games of 1075, 981 and 1116 for 3172 elevated them to the top position.

Cook's Goldblume in setting two new records in the Fountain Square Recreation, took runnerup honors on a 3153 from games of 1041, 1008 and 1104. Their 3153 was the best team series of the season in the South Side circuit, while the 1104 was three pins better than the former single game mark. Falls City Hi-Bru with 3085, in the Fountain Square; Lieber Brewers with a 3060 in the Indianapolis; Bake & Vans, with a 3054 in the South Side Business Mens; and Lieber Lagers, with 3031 in the Indianapolis were other outstanding teams of the week.

EARLY standins of most of the loops of the city prove that the teams making up the various leagues are well-balanced. Few leaders are making runaway races and in many leagues the standins may be changed over night through a clean sweep by some victorious five.

Closeness of many of the game scores further evidences the evenness of most aggregations. Two to one victories have ruled thus far in the deciding of team series, and many winners have barely breezed through with slim margins of a few pins.

The hard-fought league races create an enthusiasm that can not be manufactured in any other way, and organizers of the city's various leagues are to be commended on their distribution of the heavier hitters.

BOWLINGRIGHS—Well, the sharp shootin' sheriffs finally won a game and that's about as good as it gets. The belligerent cop has nopped up Francis, Paul Quinn, and Tom Quinn in that new West Side Merchants circuit. The popular furniture merchant, a stalwart of the league, has been nopped up by Bert Eik's secretary, who let up there, hell-bent on getting a few more pins.
