QUICK RELIEF FROM CONSTIPATION

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 20 years, and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation.

Olive Tablets do not contain calomel, just a healing, soothing vegetable laxative mild and pleasant.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They help cause the bowels to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache caused by constipation—you should find quick, sure and pleasant results from one or two of Dr. Edwards Olive Tablets. Thousands take them to keep right. Try them. 15c, 30c, 60c.—Advertisement.

5 p.m. is a test of how you FEEL

'How do I feel....
Swell!—why do you ask?'

"WHY do I ask? Simply because a few weeks ago you looked and acted as if you were about to give up."

"What happened?"

This man reasoned that his body needed toning-up... and he put his faith in S.S.S. Blood Tonic because he knew and believed in it by reputation. He took a course of S.S.S., with happy results, of course.

There are scientific findings back of S.S.S. effectiveness. If you have a lagging appetite... a general let-down feeling... a don't-care, tired attitude toward people and things... look to your blood cells. Why? Because they carry the very oxygen your breathe to the tissues... making use of food factors for the production of energy... tissue repair... body tone... muscular and mental freshness.

S.S.S. starts the gastric juices in the stomach and provides, too, the minerals the body requires in rebuilding those red cells... that work, worry, and the way we live, have broken down.

It is interesting to know that the blood makes a complete circuit of the body about 200 times daily. The strength of the blood depends upon its tiny cells and their hemo-glo-bin content. If you suspect a lowered blood count, which is a common cause of paleness, loss of strength and vitality, do give S.S.S. a trial. At all drug stores.
