

SHUSHAN FREED, GIVES PARTY IN HUEY'S OLD LAIR

Jury Deliberates 2½ Hours on Tax Evasion Case.

By United Press

NEW ORLEANS, Oct. 24.—Followers of the recently assassinated Senator Huey P. Long celebrated today with a wild party in the Senator's former Roosevelt Hotel suite the acquittal of Col. Abraham Shushan of Federal income tax charges.

A jury freed Shushan, roly-poly president of the New Orleans Levee Board, after deliberating two hours and a half last night. He was acquitted on all 10 counts of an indictment charging he had accepted \$300,000 graft in five years that was unaccounted for in his income tax statements.

Shushan and witnesses for him asserted that any money he handled did not include in his tax returns was "gift money for the Huey Long party."

Under stimulus of the verdict, Shushan and some of his associates made a mass attack in the courtroom on newspaper photographers. Three cameramen were severely mauled. Deputy United States Marshal John Wells had to threaten use of a gun to rescue Leon Trice, whom Long himself once attacked in similar circumstances, from Paul Votier, once Long's bodyguard.

SEVEN-YEAR ITCH ENDED

The Itch (scabies) is highly contagious. If not treated it will continue for life. It is not a blood disease, but is caused by the itch-mite, which burrows and forms tortuous galleries within the skin.

The itch-mite spreads rapidly and is immune to ordinary treatment. The Psoria Institute has perfected a simple treatment called EXSORA that kills the mite almost instantly, and rids you of your trouble in three days. Get complete EXSORA treatment at once at

Stories in STAMPS

By I. S. Kuhn

FATHER of GERMAN MUSIC

AT the same time that Germany issued special stamps commemorating the 250th anniversary of the birth of perhaps its two greatest composers, Johann Sebastian Bach and Georg Friedrich Handel, it added a third stamp to the series, in honor of the "Father of German Music," Heinrich Schütz.

Schütz was born in 1585 and died in 1672. He was not to become so great a genius as either Bach or Handel, but he did win everlasting fame when, upon the marriage of the daughter of Johann Georg I of Saxony in 1627, he was commissioned to compose the first opera ever performed in Germany.

In his time there were three famous "S's" in German music. One was Schütz. The second was Johann Herman Schein, cantor and court director. The third was Samuel Scheidt, organist. All were from Saxony. Schütz, although educated for the law, studied in Venice, became court director and wrote several oratorios, madrigals, psalms and other works. The German stamp commemorating the 350th anniversary of Schütz's birth is shown here.

STATE HUSKERS TO HOLD MEET NEAR FRANKLIN

Contest for Championship of Indiana Is Set for Nov. 6.

By Times Special

FRANKLIN, Ind., Oct. 24.—Indiana's state corn husking contest—a battle of the bangboards—will be held Wednesday, Nov. 6, on the Norton farm, operated by Paul White, about six miles south of here.

Lawrence Pitzer will defend his title against Indiana's best corn huskers. Representing Fountain County, Mr. Pitzer established a new record by winning successively in 1932, 1933 and 1934.

In order to qualify for the finals, a man must win a county championship under rules set by the Prairie Farmer magazine, and his net bushels husked in 80 minutes must be among the ten high records of all county champions. The local Johnson County winner, as host representative, automatically becomes an eleven contender.

The state contest this year is expected to be one of the hardest fought in history, for the champion and runner-up will represent Indiana in the national corn husking contest in Fountain County two days later.

George M. Lott Jr. Cyril Harrison

Mark the words of George Lott, the tennis champion, and the 7-goal polo star, Cyril Harrison: "Camels," says Mr. Harrison, "are so mild they don't upset the nerves or affect the wind. And when I'm tired I get a 'lift' with a Camel." Lott adds: "I understand that more expensive tobaccos are used in Camels. Naturally the cigarette that is blended from more expensive tobaccos is going to be easy and gentle on the throat. And Camels never get my wind. I'd walk a mile for a Camel!" Camels are made from more expensive tobaccos than any other popular brand. Turn to Camels and enjoy to the full the pleasure that comes from costlier tobaccos.
