

## WPA ACTIVITIES IN RECREATION REACH MILLION

Indiana Report for Last  
Six Months Made by  
G. G. Eppley.

More than one million persons  
participated in Works Progress Ad-  
ministration recreation programs in  
Indiana during the last six months.

report of Garret G. Eppley, state  
recreation director, discloses.  
The report was submitted at a  
meeting last night of the state re-  
creation committee.

Physical activities were the most  
popular. 75 per cent of all persons  
participating choosing either soft  
ball, baseball, basketball, football,  
tennis, golf, volley ball, table games,  
track or field events. Other activi-  
ties were in choral groups, orches-  
tras, dramatic clubs, hobby and  
craft work.

Forty counties provided use of  
432 buildings for the programs.  
Co-operating agencies included  
churches and libraries.

Speakers at the committee meet-  
ing included Noble Kizer, Purdue  
University Physical education direc-  
tor; Floyd L. McMurray, state su-  
perintendent of public instruction;

Hall, Lafayette; Dr. Patty and Mr.  
McMurray.

## COURT BATTLE THREATENED IN PERU TAX ROW

Miami Auditor Incensed in  
State Board's Action in  
Revising Ruling.

Times Special  
PERU, Ind., Dec. 16.—Word has  
been received here that the State  
Tax Board will not rescind its order

revising the 1936 tax rate for the  
Peru civil city, according to Philip  
Zoercher, board chairman.

Mr. Zoercher's statement was said  
to be in answer to a report that  
Lew Mayburger, Miami County  
auditor, would seek court restraint  
in opposing the board's mandate.

The Tax Board first decreased the  
civil corporation rate from 62 to 32  
cents and later revised its order by  
restoring 16 cents of the 30-cent  
reduction.

Mr. Mayburger protested the re-  
vised order, stating that tax dupli-  
cates had been prepared on the  
basis of the 32-cent levy and that  
he was under no obligation to honor  
the revised order which set the rate  
at 48 cents.
