

Carols, Talks
Headlined By
Air Systems

Tibbett to Be Heard at 7:30
Tonight; Roosevelt to
Talk at 4.

The radio facilities of almost every nation in the world are to be utilized tonight and tomorrow in scores of Christmas programs.

Both great American chains and the large stations of foreign countries will take part in presenting holiday feature programs.

First of the Christmas Eve features will come at 4 this afternoon when President Roosevelt will light the candles on the Christmas tree on the White House lawn and then deliver a message of good-will to the nation.

The program will be broadcast by the Columbia system and over NBC's Red network (WEAF).

Cleveland Symphony to Play
Two of the outstanding musical events on tonight's programs are the recital by Lawrence Tibbett, famed baritone, and the concert by the Cleveland Symphony Orchestra.

Mr. Tibbett will offer two well-known carols and Schubert's "Omnipotence," in his recital at 7:30 over the Columbia system.

The Cleveland Symphony will present a Christmas program from 9:30 to 10:30 under the baton of Arthur Rodzinski. It will be broadcast by NBC's Red network.

A Christmas message by Ray Murphy, national commander of the American Legion, will be broadcast to hospitalized veterans over NBC's WEAF hookup at 5:35 this evening.

Frank Munn to Sing
A Christmas novelty program is to be given from 7:30 to 7:45 on Columbia's "Lavender and Old Lace" program. Gruber's "Silent Night, Holy Night" will be sung by Frank Munn, tenor, and "Jingle Bell Melodrama" will be given by an orchestra conducted by Victor Arden.

Poems appropriate to Christmas will be read by David Ross from 9:45 to 10:15 on his "Poet's Gold" program (Columbia).

Holiday broadcasts from abroad are to start this afternoon at 2 with a program from Poland featuring the Orchestra Polakieradjo. At 2:30, the Orchestra National is to be heard from Paris and at 3:15, NBC has scheduled a program of carols from England. The carols were to be heard from St. Mary's Cathedral in Whitechapel, London.

King George to Be Heard
One of the most unique programs on this evening's list is to be an NBC broadcast from Grand Central Station, New York, at 6:30. Carols in the station will serenade departing travelers leaving to spend the holidays at home. The carolers will be a trained group from Calvary Baptist Church.

King George's Christmas message to his half billion subjects will be broadcast over the Columbia and NBC networks from 8:20 to 9:05 tomorrow morning. The program is to open with the sound of Christmas bells in the holy city of Bethlehem.

This is to fade into the singing by carolers in London and next will come a series of pickups from typical homes scattered over the Empire. The king is expected to take the air about 9 o'clock. The subject will be "His Great Family."

Christmas morning services over the NBC chain will start at 5:30 in a broadcast from the famous old Zion Church in Baltimore.

"Messiah" to Be Given
Both great chains will present some of the day's outstanding musical programs between 2 and 4 tomorrow afternoon. From 2 to 3, Columbia will present "The Messiah," as given from Cleveland by the Akron Civic Chorus.

Canada's celebration will be featured from 3 to 4 by NBC, and at the same time, the Columbia stations will give the program of the Los Angeles Symphony Orchestra.
