

'I DON'T WANT MILK POSITION,' FEENEY CRIES

Former Area Official Says He Wouldn't Take Job at Any Price.

Al G. Feeney, dismissed milk administrator for the Indianapolis shed, today announced that he would not consider being rehired at any price, and charged that Lieut. Gov. M. Clifford Townsend suggested that he might be rehired merely "passing the buck."

Mr. Townsend had said that the responsibility of hiring a new administrator or rehiring Mr. Feeney would be in the hands of a committee to be appointed Thursday.

Mr. Feeney said: "I am not interested in the job at any price, and I am surprised that the Lieutenant Governor would pass the buck to the local committee, which he knows, or at least should know, does not have the power to appoint that administrator."

"It's His Responsibility"

"He fired me without any charges being preferred and without a hearing, so the responsibility belongs to him and his state board."

Mr. Townsend's statement, issued on the eve of organization of a new distributor-producer committee for the Indianapolis area, said in part: "If it is the desire of the new committee to employ Mr. Feeney or any one else as administrator of the Indianapolis area, I am sure the state board will follow out the new committee's wishes, just as it adhered to the advice and counsel of the old committee, both in employing and dismissing an administrator and other employees."

Members of the old committee, which nominated Mr. Feeney and then requested his dismissal by the state board, in turn have resigned at the state board's request. Producer and distributor organizations are to make nominations at 3 p. m. today for a new committee, which will be charged with nominating a new administrator.

For Bad Cough, Mix This Better Remedy, at Home

Needs No Cooking! Big Savings!

You'll be pleasantly surprised when you make up this home mixture and try it for a distressing cough. It's no trouble to mix, and costs but a trifle, yet it can be depended upon to give quick and lasting relief.

Make a syrup by stirring 2 cups of granulated sugar and one cup of water for a few moments until dissolved. No cooking needed. Get 2½ ounces of Pinex from any drugstore, put it into a pint bottle, and fill up with your sugar syrup. The pint thus made gives you four times as much cough remedy for your money, yet it is far more effective than ready-made medicine. Keeps perfectly and tastes fine.

This home-mixed remedy has a remarkable three-fold action. It soothes the irritated membranes, loosens the phlegm, and helps clear the air passages. Thus it makes breathing easy, and lets you get restful sleep.

Pinex is a compound of Norway Pine, in concentrated form, famous for its effect in stopping coughs quickly. Money refunded if it doesn't please you in every way. —Advertisement.
