Our zephyr knits have just arrived . . . they're the type of frocks you meet anywhere . . . on a college campus, behind a typewriter or on a shopping tour! They're so smart and practical that many women are buying several in the clear, bright colors of coralite, dream blue, yellow, cherry, green, aqua, luggage brown and navy! OUR LARGE SIZES have been tailored with generous shoulder and hip width, with wide seams and hems and in the very styles that detract from width and shortness of figure! Such fabrics as silk shantung, bedford sheers, acetate crepes, cat's paw crepes, taffetettes, velvets, and jelly bean crepes!

THE TWIST: This maker has long recognized that the twist in the silk makes beauty in the hose. Crepetwist was developed, patented and is exclusive with this make!

THE LOOPS: This finely twisted silk makes it possible for each loop to be perfect . . . so that the stocking appears a thread sheerer, while the twisted strength of the silk makes it wear a thread longer.

THE SILK: Only the top selection of the highest grade of silk is used. It is patiently cleaned and then examined inch by inch for flawless perfection!

THE FINISH: The dull flattering, soft-to-feel texture is retained by an exclusive slow-drying process.

THE COLORS: Right for fashion and right for fabric: Burnt sugar, willow, cinnamon and copper!

THE SNUGETTES: Strong enough for active days, sheer enough for summer nights! Braided latex or concealed elastic tops.
