

JEW TO MARK PASSOVER WITH PASCHAL FEAST

Seder Scheduled for Monday Tuesday, Charry Says.

On the first two evenings of the Passover holiday, next Monday and Tuesday, Indianapolis Jews, like others of their faith the world over, are to celebrate with the Paschal feast or Seder.

The Seder commemorates the feast held on the evening before the Exodus of the Jews from Egypt about 3300 years ago, Rabbi Charry of the Congregation Beth-El-Zedek explained.

"The first night is always reserved for the family at home," the Rabbi stated, "where relatives gather for the Passover feast. In many communities in America we have developed a new attitude toward the second Seder. We have made it a group festival."

Seder Is Arranged

"In accordance with this attitude," Rabbi Charry continued, "this year we are conducting a Second Seder Tuesday evening at Beth-El-Zedek Temple, 34th and Ruckle-sts. The Seder will begin immediately after the services, which start at 6. It will be open to members, their families and friends."

The program of services follows.

SERVICES SET FOR TUESDAY

A Passover service is to be held at 6:15 Tuesday night by members of the sisterhood and brotherhood of the Indianapolis Hebrew Congregation at Broadmoor Country Club.

The Seder will be conducted by Rabbi Morris M. Feuerlicht, Indianapolis Hebrew Congregation.

Rabbi Victor Reichert, of the Rockville Avenue Congregation of Cincinnati, O., is to deliver an address.

BOSTON MILK SUPPLY CURTAILED BY STRIKE

Higher Wages Are Sought by Drivers, Creamery Workers.

By United Press
BOSTON, April 3.—Thousands of metropolitan Boston families were without milk today because 350 wagon drivers and 175 creamery workers went on strike for higher wages.

"White collar" employees of the affected companies delivered milk to hotels, restaurants and stores, but officials indicated no attempt at home deliveries would be made.

Members of the Milk Drivers, Chauffeurs and Creamery Workers Union unexpectedly took a strike vote early today. Claiming to be threatened with a 43 pay reduction, the drivers demanded their present \$35 weekly pay rate be raised to \$38.

BIDS ARE ASKED FOR SUPPLIES BY RAILWAYS

Reconstruction of 26 Miles of City Track Planned.

Bids on 2,000,000 paving bricks, 20 miles of new steel rails, 30,000 barrels of cement and other materials required for the reconstruction of 26 miles of car tracks in the city this year have been asked by the Indianapolis Railways, Inc.

The project is part of the \$3,000,000 improvement program planned by the company. Most of the work is to be done on the College-av. line, Shelby and Washington-sts.

The first part of the program was started Wednesday on the College-av. line between Maple Road-blvd and Fairfield-av.

Additional supplies to be purchased include 8700 yards of pre-mixed concrete, 60,941 wooden ties, 113,516 steel tie plates, and 250,000 pounds of Lake Michigan sand.

CITY GIVES \$20,469.02 FOR FLOOD SUFFERERS

Red Cross Officials Here Lauded by National Officers.

Total contributions to the flood relief fund of the Indianapolis Chapter, American Red Cross, this noon had reached \$20,550.52, and officials expressed satisfaction with results.

William Fortune, chairman, received a letter from the national headquarters stating that American Red Cross officers are pleased with the showing made in Indianapolis.

The national fund now exceeds \$4,000,000, and it is anticipated that approximately \$5,000,000 eventually will be raised.

Employees of the Real Silk Hosiery Mills have promised a contribution of \$800, Arthur V. Brown, chapter treasurer, said. Kingan & Co. employees also are planning a donation, he said.

MOTOR TRAVEL IS INCREASING

Hoosiers Used 7 Per Cent More Gas in 1935 Than in 1934.

Motorists drove more miles over Indiana highways in 1935 than in 1934, figures compiled by Todd Stoops, secretary-manager of the Hoosier Motor Club, indicated today.

Gasoline consumed in Indiana in 1935 was 497,351,000 gallons, as compared to 465,438,000 gallons in 1934. This is a gain of 7 per cent, Mr. Stoops said.

"Gasoline consumption, one of the best indicators of tourist travel, rose to a new high level in many sections of the country during the year just closed. Total consumption for the United States as a whole was 17,624,000,000 gallons compared with 16,595,000,000 gallons in 1934, a gain of more than 1,000,000,000 gallons," Mr. Stoops said.

"This increased consumption, coupled with higher gas rates in several states, resulted in a sharp increase in total gasoline tax collections. Total Federal, state and local gasoline taxes during the past year are estimated at \$804,500,000, the highest gasoline tax collection total in the history of motor transport."

BALLOT BIDS ASKED

County Election Board to Receive Printing Estimates April 6.

The Marion County Board of Elections is to receive bids April 6 for primary ballots, Glenn B. Ralston, County Clerk and member of the board, announced today.

Specifications call for 14,716 Republican and 138,594 Democratic ballots. The figures represent one and one-half the vote cast at the last general election, the clerk said.

JERSEY CATTLE EXHIBIT TO BE STAGED IN CITY

Breeders from Marion and Surrounding Counties to Take Part.

Jersey cattle breeders are to exhibit their stock at the Indiana State Fairground Aug. 14 and 15, Horace E. Abbott, county agricultural agent, said today.

The show is to be held in connection with activities of the Marion County 4-H Club and the Gold Medal Colt Club.

Stock raisers from Marion and surrounding counties are to be invited to enter their exhibits in the judging contest, to be known as the Jersey Parish Show.

Representatives of Jersey herd owners from four counties met yesterday in the county agent's office to complete arrangements for the show.

Association May Be Formed

They are Bergen LaGrange, Johnson County; State Senator E. Curtis White and A. R. Dietrich, Marion County; George Deeb and Paul Steel, Hancock County, and Guy Daily, Morgan County. The meeting also was attended by E. T. Wallace, Purdue University extension department. Mr. Daily was elected district chairman of the show.

H. E. Dennison of the American Jersey Cattle Club, New York, is to be invited to attend a meeting of the group in May to assist in arrangements for educational projects during the show, the agent said.

Owners of Jersey herds are being approached to join an association to market milk under the brand name of "Jersey Milk," Mr. Daily said.

MINER STILL TRAPPED IN BOOTLEG COAL HOLE

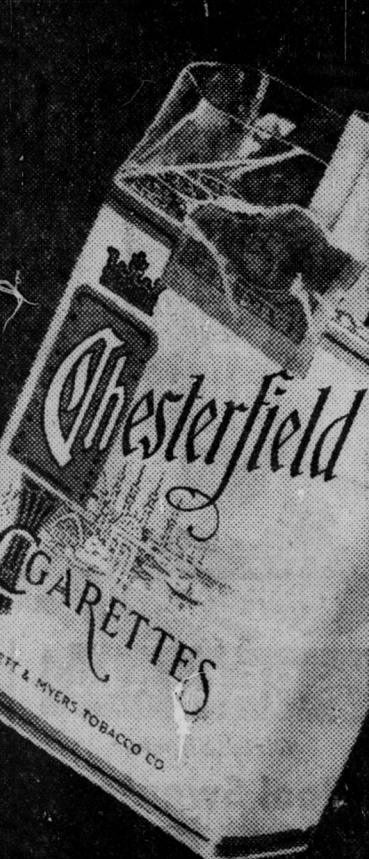

Rescuers Dig Frantically, Hope to Release Victim Soon.

By United Press
SHEMANGO, Pa., April 3.—Anthony Treskoloski, 26-year-old coal digger, remained trapped in his "bootleg" coal hole, 35 feet below the surface, today, but rescue workers hoped to have him out alive "within four hours."

Treskoloski was caught by rock and debris Wednesday when a side of the crudely made shaft caved in. He has been given whisky and coffee and apparently is not injured. He is buried up to his waist. His arms are free, but he can not move.

Specifications call for 14,716 Republican and 138,594 Democratic ballots. The figures represent one and one-half the vote cast at the last general election, the clerk said.

MOTHER, CHILD ESCAPE FROM BURNING HOME

Early Morning Blaze Razes Caretaker's House on Barnes Estate.

A mother and her 11-year-old son were forced to flee in their night clothes early today when a fire, caused by a defective flue, destroyed their home at 3801 N. Sherman-dr. Firemen estimated the damage at \$1000.

Joseph Messer, caretaker on the estate of J. W. Barnes, said he built a fire in the furnace of his small home, located near the main residence, and started to do his chores.

He was startled by the screaming of his wife, Mrs. Anna Mae Messer, and their son Thomas, who came rushing into the yard. He and the houseman, Monroe Starks, tried to fight the blaze until the fire department answered the alarm.

When the apparatus arrived, the flames had gained so much headway that firemen concentrated on saving the surrounding buildings.
