

LEGION AERIAL DRIVE RECORD IS SHATTERED

812,000 Memberships Are
Flown to City in
Annual Roundup.

All records for the American Legion's annual aerial membership drive stood shattered today with the national membership total at an all time high of 812,000. Last year's total of 754,000 was the previous record.

More than 70 planes participated yesterday in the annual drive while approximately 25,000 persons thronged Municipal Airport. The planes brought in 52,800 pair-up membership cards from all parts of the country.

Prominent among those who flew to the airport in the annual roundup were Maj. Gen. Oscar Westover, Army Air Corps chief, and David E. Grant, New York, foreign counsel of Pan-American Airways.

Greeted by Murphy

They were greeted by Ray Murphy, Ida Grove, Ia., Legion national commander who also was the official welcomer for the Des Moines (Ia.) Register-Tribune's "flying news room." Good News 6th, which carried the Iowa department's membership cards.

Maj. Gen. Westover spoke last night at the annual roundup banquet at the Antlers. He said the United States Air Corps lacks equipment and is four and one-half years behind its program.

This program, formulated in 1930, has been hampered by curtailed budgets, he said, and while this year's budget is more generous, it will not provide for many new ships.

Other Speakers Listed

Other speakers were Dudley M. Steele, Los Angeles, national chairman of the Legion's aeronautics commission; Dr. W. W. Arrasmith, Grand Island, Neb., vice chairman of the commission, and Mr. Grant.

Many national Legion officials and committeemen arrived yesterday for spring meetings today and tomorrow at national headquarters.
