Mothers are no longer "dated" by matronly dresses! Manufacturers have finally realized the need for youthful large sizes! Our buyer watches for these new modes and has them on our racks immediately. The generous widths and lengths are there, the armholes are full, but the styling, the fabric interest are new and different! We also have a wide assortment of interesting fashions for the tiny mother, and the mother with the school-girl figure.

Sizes 11-17, 14-20, 38-46, 48-52, 16 1/2-20 1/2
