

RACE QUALIFICATIONS TO GO ON AIR

Track-Side Series Is Arranged; 'The Bartered Bride' to Be Sung by Metropolitan Co. Tomorrow

Local Stations, Networks Also to Broadcast May 30 Classic.

Local stations and networks plan the most extensive coverage of the Memorial Day Indianapolis auto speed classic ever to be broadcast to race fans. Beginning tomorrow, both WFPM and WIRE will broadcast pre-race qualifications, and NBC, CBS and the Mutual network will be on the air May 30, with descriptions of the start and finish of the race.

Morris Hicks will be at the WIRE microphone at 10:30 each morning and 4:30 each afternoon beginning tomorrow to broadcast race chatter, descriptions, interviews with drivers and track news. Ken Ellington and Len Riley will take five microphones to the track at 1:30 tomorrow afternoon for a program which will originate from vantage points around the track, from a race car and from an airplane flying over the course. This broadcast will be given also by CBS.

Other WFPM broadcasts will follow next week at times to be announced. Graham McNamee and Ted Husing will come here to describe for NBC and CBS listeners the race itself, and Capt. Eddie Rickonacker will be heard in several broadcasts. Don Hancock, former local announcer; Joseph Ries, WJW education director; and H. Gilbert Martyn will describe events for WLW and Mutual network listeners.

Gov. ALF M. LANDON is said to be taking radio preparation for his possible campaign as the Republican presidential nominee quite seriously. He has practiced microphone delivery, and those who have heard him in recent speeches believe he has improved since earlier talks. He is aiming at an informal, conversational style.

That Mr. Landon is considered by some Republican leaders to have a better radio delivery than other prospective candidates is used as an argument in his behalf. It is recognized that President Roosevelt's microphone technique is better than that of many professional announcers.

National convention broadcasting by both major networks will begin at 9 tomorrow morning on CBS (WFPM) and NBC-WEAF when the keynote address of Leo Krzycki at the Socialist national convention at Cleveland is to be carried. CBS also will broadcast Norman Thomas' address at 7:30 tomorrow night, and NBC-WEAF will air at 3:15 Sunday afternoon the reading of the platform. At 1 Monday afternoon CBS will carry the nomination of candidates for President and Vice President.

New and Newsy—Amos 'n' Andy back in Chicago after a California vacation, plan to return to Beverly Hills for the summer after their broadcast of June 5. Rex Mays "Babe" Stapp and "Wild Bill" Cummings, three prominent race drivers are to be heard on Black's children's program at 10 on WFPM tomorrow morning. The broadcast, to originate at the store's auditorium, is to be open to the public.

Rudy Vallee is being considered to replace Maj. Bowes just in case the popularity of amateur programs takes a nose dive.

Singing Lady, after broadcasting from Chicago for five years, is to move to New York.

Guy Lombardo's commercial is to leave the air early next month.

Walter Winchell, already signed for next season, is to vacation soon, and Cornelia Otis Skinner is to pinch-hit for him.

Phil Ducey, the Indiana boy who made good on the networks, likely will have a new, more important spot soon.

VETERAN ASKS TRIAL; SAYS HE IS SANE NOW

Sent to Insane Hospital After Firing at Police Officer.

By United Press
FORT WAYNE, Ind., May 22.—

Claiming his sanity has been regained during a seven-year term in the Indiana Hospital for the Criminally Insane at Michigan City, Cecil Baker filed petition in Allen Circuit Court yesterday asking his trial for assault and battery with intent to kill be delayed no further.

Baker, a war veteran, created a disturbance in Red Cross headquarters here May 16, 1929, and fired at Officer Phil B. Steigewald from short range, when the latter attempted to subdue him. Steigewald shot him through the mouth.

After recovering from the wound, and before being brought to trial, Baker was adjudged insane and placed in the State Hospital.

M'NUTT TO GET MEETING ROLE

Democratic Party Official Says Governor Will Play Big Part.

Observers today saw the visit yesterday of W. Forbes Morgan, Democratic national committee secretary, as an effort to rally Indiana business leaders to the Democratic cause.

After his conference with Gov. McNutt and Omer S. Jackson, Democratic state chairman, yesterday, Mr. Morgan forecast the following:

Gov. McNutt is to have a prominent role in the Democratic national convention.

Indiana has not lost prestige because it failed to climb on the Roosevelt bandwagon in 1932.

Indiana will give President Roosevelt a larger majority in 1936 than it did in 1932.

The national convention leader cannily dodged questions as to whether his visit had anything to do with the WPA probe in Indiana and said "It's just politics we've been talking."

He declared his air tour of the nation was to learn of conditions in the various states.

The Governor has accepted an invitation to speak at a meeting of young Democrats at the national convention.
