HOOSIER TRACK TALENT SUPERB
AND THE BOYS 'GO' TOMORROW

BEFORE the speed pilots settle the annual battle of four wheels here Saturday, the ace leg men of the Hoosier state colleges and universities will determine where the honors belong in the Big State track and field affair at Bloomington tomorrow. . . Ordinarily the title event is held on Saturday, but it was moved up a day this year because it is customary to keep the campus quiet on Memorial Day.

Nine colleges will be represented and there will be about 130 athletes trained to perfection and ready to respond when their chosen events are called. . . Indiana, Notre Dame and Purdue do not compete in the Little State meet, which was won by De Pauw last Saturday, but in this Big State classic all schools are invited to jump on the band wagon and strive for points.

Hoosierland has a splendid array of talent in nearly all classes this year and you won't miss it if you run down to Bloomington tomorrow and watch the lads perform. . . Going from Indianapolis will be 19 Butler thimble and three from Indiana Central. . . De Pauw thinks its chances are good and is sending 25.

Notre Dame topped the crown in 1935 and is co-favorite with I. U. tomorrow. . . However, the hope appears to be on Indiana's side this time. . . The Crimsonites upset 'em all last week by capturing the Big Ten laurels and Coach Hayes has kept his squad on edge all week.

BOB COLLIER, Indianapolis, holds two state records, both established last year. He is a graduate of Cathedral High School. The star sprinter lowered the 100-yard dash mark to :09.7 and the 220-yard dash time to :21.3. Other Big State records are:

440-yard dash, :48.0, by Fuqua, Indiana, 1934.
880-yard dash, 1:53.6, by Hornbostel, Indiana, 1935.
One-mile run, 4:13, by Brocksmith, Indiana, 1932.
Two-mile run, :22.9, by Brocksmith, Indiana, 1932.
120-yard high hurdles, :14.4, by Caldemeyer, Indiana, 1935.
220-yard low hurdles, :23.5, by Sandbach, Purdue, 1935.
One-mile relay, 3:16.9, by Indiana (Harbold, Bickling, Hornbostel, Fuqua), 1934.
High jump, 6 feet 7 1/2 inches, by Nelson, Butler, 1932.
Discus throw, 147 feet 3 1/2 inches, by Busbee, Indiana, 1935.
Shot put, 50 feet 6 inches, by Elser, Notre Dame, 1935.
Javelin throw, 206 feet 6 inches, by Purvis, Purdue, 1935.
Pole vault, 13 feet 5 1/2 inches, by Beecher, Indiana, 1931.
Broad jump, 25 feet 4 inches, by Meagher, Notre Dame, 1935.

Tops Indians

DICK SIEBERT (above) reported to the Indians as a first baseman, but with Mickey Heath playing a steady game, the new Red-skin was tried in the outfield when Chick Shiver was injured and made good. At least Dick still is out there and is pacing the Hoosiers at bat with an average of .412. Siebert was obtained from Brooklyn in the Johnny Cooney deal. He played first base with Buffalo last year and batted .297.

CRACK PILOTS VIE FOR REMAINING BERTH

Frame Among 10 Unqualified at '11th Hour'

Meyer, Rose and Moore Gain Places in Lineup for 500-Mile Classic.

BY HARRISON MILLER

The gate closes today at 4 on speed qualifications at the Speedway, at which time the 33 fastest cars originally nominated for the gasoline derby will be named in the starting lineup for the twenty-fourth annual 500-mile Memorial Day race classic.

Speedway officials will open the track from 1 to 4 today for the lags and unfortunates who have not passed the requirements. After 4 today the oval will be closed to traffic while final inspections are conducted and the annual bath is given to the brick surface.

Since the official qualification periods opened on May 16, all but one position have been filled as the zero hour approaches, and 10 other changers remain on the outside with possibilities of dislodging those who have passed speed and acceleration tests successfully.

The starting roster was boosted to 32 yesterday when three pilots who have won their spurs in previous years by placing high in the money drove their mounts over the 25-mile course at a high rate of speed and finished within the assigned quota of gasoline. The trio, all listed among the pre-race favorites, are Lou Meyer, the only man to win two races without the aid of relief; Mauri Rose, who lost the 1934 event by 27 seconds in a dramatic finish; and Lou Moore, who shares with Harry Hartz the distinction of being a consistent runner-up.

Meyer, bobbed back into the field as a serious challenger by eluding his pre-race jinx long enough to turn in an impressive performance yesterday. Not only did the California veteran push his Ring Free Special over the bricks for a 114.71 (Turn to Page 26)

Locals to Tackle League Foes Here

A. B. C. Nine Cards Dayton Fray at Stadium.

The Indianapolis A. B. C. Negro nine is scheduled to tangle with the Dayton (O.) Shoyers in a double-header Indiana-Ohio League baseball program Sunday afternoon at Perry Stadium.

The local club has been strengthened since its last appearance here with the addition of B. Robison, third baseman, and Thomas, second sacker, formerly with the Detroit Stars; Murry, catcher, formerly with the Chicago Cubs; and Tyree, southpaw pitcher from the Oakland (O.) Giants. Tyree pitched the A's to a 6-3 victory over the Lafayette Red Sox last week, allowing five hits.

Ninth Inning Rally Beats Greyhounds

De Pauw Scores 6 Markers to Win, 10-9.

By United Press
GREENCASTLE, Ind., May 28.—De Pauw University blasted Keene from the mound in the last half of the ninth inning during a six-run rally which gave the Tigers a 10-to-9 triumph over Indiana Central here yesterday.

After spotting the locals to a four-run lead in the first three innings, Keene checked the Tigers until the final frame while the Greyhounds were hopping on Thomas and Stone for six runs in the fourth, two in the fifth and another in the eighth. Merkle sent a long drive into right field to score two mates and replaced Keene on the mound but could not halt the Old Gold. Thirteen errors marred the contest.

Score: Indiana Central . . . 900 000 010—9 9 9
De Pauw . . . 202 000 006—10 13 7

By United Press

Irish-Indiana Duel Expected in State Meet

Notre Dame, Crimson Teams Rated Strongest; New Records Probable.

Times Special

BLOOMINGTON, Ind., May 28.—A round half-dozen records are expected to be set as a brilliant field of track and field athletes competes in the annual Indiana Intercollegiate championships in the Indiana University Memorial stadium here at 2 o'clock tomorrow afternoon.

Judging from past performances, the battle for the title will evolve into a scrap between Notre Dame, defending champion, and Indiana, newly crowned Big Ten title holder, but the intense competition between Purdue, Butler and De Pauw will enliven the proceedings.

A total of 130 men have been entered from nine state schools, and the field includes many nationally-known track figures. With six defending champions, four of whom set new marks last year, leading the list, and with the added incentive of qualifying for the semi-final Olympic tryouts, the field in each event is expected to be exceptionally fast.

Notre Dame has served notice that it will use its fullest strength to retain the title, while Indiana is anxious to add to its laurels. Notre Dame will present a well-balanced outfit which has not been defeated this year, indoors or out. Included in the Irish victory string is the Central Intercollegiate Conference indoor title and a dual meet decision over Ohio State this spring. Notre Dame has the largest squad, with 26 men nominated for the championships.

The defending champions are: (Turn to Page 26)
