### MICHIGAN CITY SHORT OF FUNDS FOR PROJECT

Part of Sewage Disposal Plant May  
Be Abandoned.

**MICHIGAN CITY, Ind., June 9.**—  
The Board of Works meeting to-  
day is to consider a request to  
abandon several units of the sew-  
age disposal plant contract in order  
to raise funds to complete the  
project.

An estimated saving of \$4000 is  
needed, city officials contend, to as-  
sure necessary construction. It is  
proposed to abolish plans for mac-  
adam road and sidewalk to the  
plant.

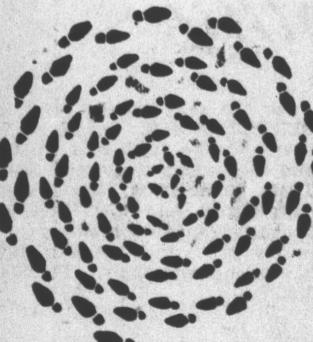

Deadline for completion of the  
work is to be set up to August, since  
many working days have been lost.

### CAMP MEETING HELD

Boys and Parents Attend Session  
at Lake Tippecanoe.

One hundred thirty-two boys and  
their parents are to attend the an-  
nual campers-parents meeting of  
the Tabernacle Presbyterian camp  
on Lake Tippecanoe at 7:30 tonight  
in the church. The camp, in charge of  
22 counselors, is open to any boy  
regardless of his church affiliations.  
Ten reservations are being held  
open.

### AVOID THOSE Useless STEPS!

Mrs. Smith goes "round and  
round" waiting for water to heat.  
She trudges up and down stairs  
many times a day to "light" and  
"turn off" the heater. She could  
avoid all those needless steps and  
wasted time by resting an automatic  
gas water heater. And the  
cost is so small—\$1.00 installs it  
and \$1.00 per month pays the  
rent. Ask about it at our show-  
rooms.

Times Special

LEBANON, Ind., June 9.—Don-  
ald Snow (above) has plowed his  
way through snow, risked the  
blistering heat of summer, and  
been drenched with rain, but he  
has never missed a school day  
since the age of 6. And if that  
wasn't enough, he adds to the  
record of not having been tardy  
during the 11 years. Donald is  
a member of the graduating class  
this year at Senior High School.
