

WIRE TO CARRY CLARK RITES

F. D. R. Talk
to Be Heard
on Program

Broadcast From Vincennes
Scheduled at 9:30 A. M.
Tomorrow.

Vincennes is to be host to President Roosevelt tomorrow at the dedication of the George Rogers Clark Memorial. The President's address, to be heard during an hour's morning broadcast over WIRE beginning at 9:30, is the last scheduled on his present tour.

On July 4, he is to be heard from Thomas Jefferson's home in Monticello, Va., on a special Independence Day broadcast.

Gov. McNutt is to introduce the President tomorrow, and in turn will be introduced by Senator Mc-Kellar.

Monday midnight is the deadline for posting your votes for "The Most Popular Father in Radio," according to Phil Baker, head of the Father's Day celebration radio division.

Any one connected with radio-artists, announcers, writers or technicians, are eligible if they are fathers.

Suggested candidates include Jack Benny, Lowell Thomas, Boake Carter, Phil Duey, Ed Wynn, Horace Heidt, Walter Winchell, Bing Crosby, Carson Robinson, George Burns, Paul Whiteman, Phil Lord, Al Goodman and Edgar Guest.

Votes should go to the Father's Day Committee, 515 Madison-av., New York, or to the station on which the candidate is heard.

Every one should know by now that "swing" music is only a revival, slightly modified, of the primitive jazz of 20 years ago. Proof of this is the fact that the original Dixieland Five is reorganizing, and that the Original Mound City Blue Blowers have reassembled for a "mike" appearance tonight on the CBS Swing Session at 6 on WFBM. Also present is to be the famous trumpeter, Bunny Berigan, and his band.

Postmaster General Farley is to speak at 6 tonight, over WJZ (660) and the NBC Blue network, on methods of obtaining bonus bonds, which are to be available Monday. At 7:15, Gen. Frank T. Hines, administrator of veterans affairs, and others are to continue the same subject.

World war veterans in New York, Washington, Chicago, St. Louis and Los Angeles are to be brought to the microphone by CBS at 1 Monday afternoon, to tell what they plan to do with their bonus money. A short message of advice by an unannounced American Legion official is to conclude the broadcast.

Walter Winchell seems to have picked a "natural" for his debut as a radio actor tonight. He is to do a scene from the popular Hecht-MacArthur opus, "Front Page," at 7:30 on WLW. The play's leading character might almost have been modeled after the staccato-speaking columnist.

Appropriate or not, Senator George Norris has titled his radio talk tomorrow "Behind the Political Smoke Screen." The liberal legislator from Nebraska should be able to pierce the murky veil, for he first came to Congress more than 30 years ago, has led many legislative battles and fathered many bills, including the twentieth amendment to the Constitution. He is to speak a 6:30 night on WFBM.

If a man can do a good job with the role of Sherlock Holmes, he seems to have his life's work cut out for him. William Gillette played it, off and on, for 30 years, and Richard Gordon, who created the radio part, has been at it almost 10, behind footlights and microphones. Mr. Gordon was a veteran "Holmes" before he ever saw Mr. Gillette in the role. The detective's radio ventures may be heard at 5:30 tonight over WGN-WLW.

Tomorrow is Major Edwes' birthday as well as Flag Day, but the Major will be too busy for much celebrating. He is to dedicate his program to Oakland, Cal., across the bay from his native Frisco.

Genevieve Tobin and Phillips Hutton are to do a Flag Day sketch with Mary Pickford in her first Sunday "Parties at Pickford" broadcast at 8 tomorrow night, WFBM.

A new detective series, "Meet McBride," is to replace "Night Court of the Air" on WFBM at 6:30 tonight.

Jack Benny has announced the opening of the Benny-mount Studios, Hollywood's latest film factory, at 5 tomorrow night on WLW, while Phil Baker invites listeners into the editor's office of the "Too Too Utter Magazine" at 5:30, WFBM.

Hill-billies, child prodigies and the regular Paul Whiteman staff are to be on tomorrow night's regular broadcast by the rotund "Dean
