

### BOARD FAVORS CITY PURCHASE OF PARK LAND

#### 40-Foot Strip Would Be Added to Woodstock Golf Course.

The Indianapolis Park Board today drafted a resolution requesting city purchase of a 40-foot strip of ground east of the Woodstock Club golf course. The strip, between Crescent-st and Maple-rd, would be added to the Woodstock grounds. The golf course is leased from the city by the Woodstock Club.

The 40-foot strip, owned by the Public Service Co. of Indiana, is appraised at \$500. Irwin Phillips, attorney, represented the utility in today's negotiations with the Park Board. Flak Landers, Woodstock Club president, represented the club. The strip would be beautified by the city and the golf club. It is an abandoned Public Service Co. right-of-way.

### NEW TRIAL ORDERED IN CONTEST OF WILL

#### Montgomery Circuit Court Reversed by State Appellate Bench.

Courts have no right to make wills for the dead, the Indiana Appellate Court ruled yesterday in the contest of the will of Mrs. Grace Divine Law, Crawfordsville, who left \$40,000 for the establishment of a home for the aged there. The court ordered a new trial.

The Appellate Court reversed the Montgomery Circuit Court, which held that Mrs. Law had died intestate and that the estate should be distributed to the nearest relatives. The lower court had held that Mrs. Law had not left money enough to carry out the charitable intent of her will, but the Appellate Court ruled that the wording of her will was broad enough for the trustees for the proposed home to carry out her wishes.
