

SOFTBALL OFFICIALS DENY SOUTH BEND CHARGES

Eligibility of Local Teams Not Affected

College, High School Players May Compete Here, Is Claim.

BY HARRISON MILLER
Officials of the Indiana Recreation Association which is sponsoring the state softball tournament to be held at the Fairground in September, today arose indignantly to repudiate the charges of South Bend officials who are promoting a similar tournament on the same dates.

Charges that players competing in the local meet would lose their amateur standing and would thereby become ineligible for high school or college competition were denied today by W. Robert Griffey of Shelbyville, president of the state recreation group, after communicating with collegiate and scholastic authorities.

The South Bend organization, which is affiliated with the Amateur Softball Association of America, had filed a statement that teams and players competing in any meet other than the sanctioned South Bend tournament would be suspended from the A. S. A. A. and from the Amateur Athletic Union.

Both meets are slated for Sept. 5-11.

Trester Explains Policy
Commissioner Arthur L. Trester of the Indiana High School Athletic Association stated that the policy of the I. H. S. A. A. permits high school athletes to participate in baseball or softball during the summer months without jeopardizing their eligibility in high school providing they do not play under assumed names, do not receive remuneration directly or indirectly, and secure the consent of the high school principals.

President W. V. Sliker of the Indiana Intercollegiate Conference is said to have informed recreation officials that college and university athletes may play baseball and softball during the summer months as long as they do not accept remuneration.

Last year the two separate factions combined forces to stage one gala state meet with 476 teams competing for the right to participate in the finals at South Bend. The Bendix Brakes team of that city won the title and represented Indiana in the national meet in Chicago.

All-Star Grid Voting Begins

Popular College Selections to Oppose Lions in Annual Fracas.

BY UNITED PRESS
CHICAGO, July 9.—The nation's football fans, whose demands for gridiron thrills crammed the game with razzle-dazzle, took the third annual All-Star game into their own hands today and began balloting in 40 states to select an "All-Star" college team to challenge the Detroit Lions in Soldiers Field Sept. 1.

The world professional champions, often described as the greatest football machine ever assembled, replaced the Chicago Bears, who were held to a scoreless tie in the first All-Star classic and barely won the second, 5 to 0.

Voting of the fans, which will continue two weeks, will name the actual All-America starting lineup. The coaches picked in a later poll will be required to start the 11 men receiving the highest votes for their respective positions.

Minnesota's perennial Gophers, who plugged the heavy all-star line in 1935, again led the field in total candidates, with Notre Dame and Ohio State helping them uphold the Middle West.

Regardless of the college combination chosen, the powerful Lions will go into the floodlighted game favorites.

The famous Detroit running attack, led by Earl (Dutch) Clark, ran away from every defense in the National Professional Football League in 1935.

Local Girl Loses in Links Tourney

DETROIT, July 9.—Fifteen-year-old Edith Estabrooks of Dubuque, Iowa, who started playing golf at the age of 9 when most of her friends still caressed their dolls, was favored today to capture the Western Junior Girls' championship.

The curly-haired Iowa was pitted in the semi-finals today with Eleanor Dudley, Chicago, who is defending her 1935 title. In the other semi-final, Hope Seignious, Detroit, faced Janet Shock, Dayton, O.

Miss Estabrooks advanced yesterday by defeating Harriet Randall, Indianapolis, 7 and 5. Her Chicago semi-final foe advanced at the expense of Billie McIntyre, Topeka, Kas., 5 and 3. Miss Seignious eliminated Elida Livingston, Dayton, O., 7 and 6, while her semi-final opponent, Miss Shock, defeated Betty Mackemer, Peoria, Ill., 2 up.

Too Much Heat Relief; Water Polo Clubs Play Six Overtime Periods

Thanks to Bib Kirk, two water polo teams were able to go home last night before becoming waterlogged. The swimming pool has been a pleasant relief from the hot weather, but even that can be overdone.

Rhodius and Longacre tank teams battled six overtime periods in the "City Recreation Department's" Water Polo loop last night at Rhodius before Kirk scored his second goal of the contest to give the host squad a 5-to-4 victory. The score was deadlocked at 3-all at the end of the regulation time, and each team counted during the fourth extra period.

Warren Fowler led the winners with three goals. Jim Springer, Louis Latham, Bernie Ray and Jack Winnell scored for Longacre.

L. A. C. remained undefeated by blanking Garfield, 8 to 0, with Joe Owallow getting four goals. H. A. C. also won a shutout victory, 7 to 0, over Willard. Sam Klezner scored three goals and Bob Marshall and Louis Maybarn contributed two markers each.

Hooster meets Riviera and Willard opposes the host Ellenberger team on tonight's schedule.

Millers Bump Indians Into 4th-Place Tie

Trample Redskins, 20 to 3; Double-Header on Tap Today.

Times Special
MINNEAPOLIS, Minn., July 9.—The Millers and the Indianapolis Indians were "even Steven" for fourth place in the American Association pay-off column as they prepared to battle in a double-header under the broiling sun here this afternoon.

The Hoosiers were in third place and the Millers in fifth when the Redskins invaded two days ago, but two straight victories by the clouting Kels had leveled them off.

Owens' Bush's batsmen played a thunderous tune on the back fences yesterday to burn up the Killefer crew, 20 to 3. The locals got more runs than hits, which totaled 18, by making 10 hits count for extra bases and taking advantage of three Tribe errors. Seven doubles and three homers by Browne, Pfeiffer and Gaffke featured the Kels' assault.

Lefty Makes Whirlwind Start
Lefty Bob Logan, the Tribe's leading hurler, was hooked up in a neat pitchers' duel with Archie McKain until the fifth inning, when the Bushmen unleashed their big bats and coupled base hits with Tribe errors to pile up seven runs. Page replaced Logan before the rally had run its course. Prior to the fifth, Logan had yielded only one run, Browne's homer in the first.

Page couldn't do a thing toward discouraging the rampant Millers and gave away to Rookie Diz Trout, who was equally ineffective. Bush's home run, which came in the sixth, getting four runs in the sixth, two in the seventh and six in the eighth.

McKain, after blanking the Hoosiers for seven innings, eased up under the 100-degree sun in the eighth and gave up three runs on as many hits. Trout singled, came in on Bates' double, Bluege singled, and infield outs provided two more markers.

Brewers Widened Gap
Eubank Bates smacked two hits for four times up for the Indians and is batting at a .435 clip. McKain finally stopped Ockhard, the big fellow going hitless in three trips.

Boss Bush pulled McKain in the ninth to give Ted Olson, a collegiate pitcher on option from the Red Sox, a chance. The youth finished without giving up a hit.

Elsewhere around the circuit, the Milwaukee Brewers stretched their lead to two games by edging out Louisville, 3 to 2, while the second-place Saints were losing to third-place Columbus, 9 to 7. Chester Laabs slapped his twenty-fourth homer of the season to supply the Brewers' margin.

Toledo and Kansas City split a double-header, the Hawks winning the opener, 2 to 1, on the five-hit pitching of Flowers, and the Blues taking the second, 4 to 3.

The Brewers and a team of selected players from other clubs in the Association are to stage the annual All-Star game tomorrow in Milwaukee. Johnny Riddle, Indianapolis catcher, is a member of the All-Star team.
