

# INDIANA LIFTS FIVE DETOURS BUT ADDS TWO

U. S. 31 and 50 Affected  
by New Orders of  
Road Body.

Removal of five detours from Indiana highways last week indicates the progress of the extensive improvement program now under way, James D. Adams, State Highway Commission chairman, said today.

Two new detours were added during the week. Mr. Adams announced, on U. S. 31 from New Albany to Sellersburg and on U. S. 50 from Holton to Versailles.

Detours were lifted from Road 13 north from the junction with Road 21; Road 34, east from Brownsburg; U. S. 41 just north of White River; U. S. 52 north from West Lafayette, and Road 67 from Spencer to Martinsville.

## Detours

Detours are still in effect on the following state and Federal roads:

2-From Mishawaka to Elkhart, 8.5 miles over county concrete road.

3-From New Castle north 10 miles over Indiana 38, county gravel and U. S. 36.
