TAYLOR ARRIVES WITH BAT BAG  
AND LEAVES TO JOIN INDIANS

RED KILLEFER'S Indians won 15 games in their last 21 starts... Including three out of four on the current road trip... Presto!... Outfielder Danny Taylor shows up... The veteran flychaser, purchased from Brooklyn several weeks ago, wheeled into Indianapolis late yesterday and left on a night train for St. Paul to join the Hoosiers today.

His luggage contained four bats, as evidence that he means business, but to make it stronger Danny ordered a half dozen more war clubs.

"I had about decided to retire for the season," Taylor said in explaining his tardiness in reporting, "but the lure of the game won the decision. So I'm on my way to tear out and give my best for Indianapolis."

Taylor bats and throws right-handed and left the big show with a 1936 batting average of .293... He is 32, stands 5 feet 10 inches and weighs about 190.

BATING the Millers in their own park three straight has caused the whole league to cast a wary eye toward the Hoosier Redskins... That shutout yesterday, pitched by Jim Turner, brought a thrill to Indianapolis fans... And for the second day in a row the Tribesters homered the Bushmen in the boxbox.

The 1936 books now close between Indianapolis and Minneapolis and 12 of the contests are on the Tribe's side of the ledger... Fair enough... Yesterday was the first time the Millers had been blanked by a right-handed pitcher in their own park since May 1931.

The galloping Chicago White Sox, truly the surprise club of the American League this year, will have more mound strength shortly. Monte Stratton is out of the hospital after a long siege and is building himself up for duty down the stretch... He was a shining light in the A. A. last year with St. Paul.

The Cardinals have played six games at Wrigley Field this year and won 'em all... As a matter of fact, the Old Hoss is on the ropes knocked off the Cubs nine times in 12 clashes this year... The amazing Mize, poison to the Bruins, is a Cracker from Georgia, and was picked up by Cardinal Operative No. 4-11-44 in 1930 and farmed out... He is a six-foot, two-inch Cracker.

CHARLIE GRIMM'S pastimes won 14 games on Thursday this year, but Dixie Dean was in there yesterday and the charm was chased after 11 innings of World Series baseball... Which led Chief Grimm to ask waivers on his favorite melody, "This Is My Lucky Day."

ITALIAN sports fans in this country can get ready to cheer another star from this fall—Tazio Nutti, racing driver who will compete at the Roosevelt Raceway's 400-mile contest on Columbus Day. He is rated one of the greatest European drivers... Tazio will find that Italian names are not new to American auto racing, for they have endured from Ralph De Palma to Kelley Petillo.

A ten-year-old tradition that no driver can repeat his victory in the Hambletonian probably will be wrecked next week at Goshen... There are four reinmen competing and any one of them is accorded a good chance of repeating his former triumph—Doc Parshall, '34 winner; Ben White ('33), Tommy Berry ('30) and Sep Palm, Indianapolis, who won last season.

TOM SHARKEY, the heavyweight master of the old days was a visitor in Indianapolis today with Lloyd Carter, Hercules A. C. matchmaker... He fought in the days of the great batters such as Jim Corbett, Jim Jeffries, Bob Fitzsimmons, Peter Maher, Joe Choynski and others... Tom, at 62, still is agile and in fine health... He has been refereeing boxing and wrestling bouts in the city and may return here on a future date to handle the headlining mat attraction. Sharkey's last fight was with Jack Munro in 1904.

OLYMPIC STADIUM, BERLIN, Aug. 7—Archie Williams, University of California Negro, won the Olympic 400-meter run today, giving the United States its tenth men's track and field title of the eleventh Olympic Games.

The dusky Californian, who holds the world record of 46.1, was clocked in 45.5 seconds as he broke the tape a fifth of a second ahead of Arthur Godfrey Brown, represented Cambridge University sophomore running for Great Britain.

Jimmy Luvalle, the Negro graduate of U. C. L. A., finished third.

William Roberts of Great Britain was fourth; Bill Fritz, Canada, fifth; and John Wilfred Loaring, Canada, sixth.

Luvalle and Roberts finished so close together that each was clocked in 46.3.

The weather was sultry, and the track heavy for the event, which was watched by a crowd of 95,000. Fuehrer Adolf Hitler did not attend today's session—the first he has missed since the Olympics opened last Saturday.

U. S. Makes Clean Sweep

Williams' victory gave the United States its first clean sweep of the 400-meter run since 1912. He also recorded the sixth Negro victory of ten scored by the United States. Jesse Owens, Ohio State thunderbolt, had scored a triple in the broad jump, 100 and 200 meters; Johnny Woodruff of Pittsburgh won the 800, and Cornelius Johnson of Los Angeles took the high jump.

Harold Smallwood of Ventura, Calif., who probably will have made the final, was withdrawn from the semi-finals earlier today when he suffered an appendicitis attack which required an operation. Smallwood was reported resting easily this afternoon in the West End Hospital.

Williams' triumph brought the United States to within one victory of equaling the mark it set at Los Angeles in 1932 when it won eleven

titles. With five more events to go, it was almost certain the American athletes—the strongest team ever to represent the Stars and Stripes—will surpass that figure.

Decathlon Victory Likely

United States is far ahead of the world in points, having 167. Finland forged into second place today by finishing off two in the 5000-meter run with 87% points. Germany is third with 54%.

One more victory seemed assured for the United States in the decathlon, where its three stars led the field. Bob Clark of San Francisco was top with, 3220 points followed by the favorite, Glenn Morris, with 3280, and Jack Parker, Sacramento, 3187. The athletes had completed four events—100 meters broad jump, shot put and high jump; of the grueling 10-event test. One more event remained up for competition today—400 meters. Tomorrow they will compete in five more events and the man with the highest point total will win.

New 5000-Meter Mark

Finland's Gunnar Hoeckert won the 5000-meter race, scoring his nation's fourth consecutive triumph. He covered the distance in 14:22.2, a new Olympic record. Lauri Lehtinen, who set the 14:30 record in the 1932 games, finished second to his countryman.

Before the 5000-meter, Dick Lash of Indiana, the Negro, hoped in advance that he was not feeling in top condition because of a strained nerve in his leg, which had prevented him from training properly.

Lash was fourteenth in the field of 15. Louis Zamperini, 21-year-old Compton (Cal.) enigma, was eighth. The first three men to finish the Olympic record and the fourth man equalled it.

The Americans never were in the running. At the 3000-meter mark, Lash had fallen badly behind and was in next to last position. Up with the leaders all the way was Hoeckert, who stayed in front during the final laps and won at least 50 meters over Lehtinen. The second Finn was 25 meters in front of Sweden's Johnson at the finish.

Williams won the 400 with a thrilling stretch finish. Brown was first out of the pits with Luvalle and second. Heading into the last few feet of the backstretch, Williams jammed into the lead and held it to the tape.

At the end of the back stretch, Roberta was a close second and Luvalle, coming along with 100 meters separating stride, was third. Coming out of the final curve and into the home stretch it was Williams, Luvalle and Brown, with inches separating them.

It was clear the race was between these three men, although Roberts still seemed to be something of a threat.

Williams' triumph brought the United States to within one victory of equaling the mark it set at Los Angeles in 1932 when it won eleven

### Tribe Invades St. Paul for Heavy Series

Twin Bill Carded Today; Flowers Ruins Millers With Homers.

Times Special

ST. PAUL, Aug. 7—Glowing with new confidence as a result of defeating the Millers three out of four in Minneapolis, the Indians were in St. Paul today to tackle the second-place Saints in a double-header at Lexington Park.

It's a five-game series, and a single tilt is scheduled tomorrow and a second double-header on Sunday.

Manager Killefer had two mound mainstays ready for the twin bill this afternoon. Bud Timming and Bob Logan. The series is going to

be a problem for the opposing ground staffs, but the Hoosiers looked good at Minneapolis and believe they are due to scalp the Apostles.

Six-Hit Shutout

Jim Turner let the Millers down with six hits yesterday and registered a shutout, 7 to 0, boosting the Redskins to fifth-place over Columbus. Jake Flowers went on a batting rampage and blasted two home runs and a single. He was filling in for Buck Faustet at third, who was transferred to the short field in place of Otto Bluge, who has an injured leg.

Fred Berger also smote the ball over the fence at ancient Nicollet Park yesterday, giving him three homers in two days.

Flowers connected for the circuit in the second inning with two mates on the sacks, and in the fourth, as first up, Jake sent another pellet soaring out of the park.

Berger cleared the right center fence in the seventh with Siebert in the eighth.

Timming and Timming and

Flowers batted for Olson in eighth.

Turner had the Millers easing out

of his glove and was backed by fine

support. The Tribe hurler had a lot of stuff on the ball and the Bushmen seemed to feel they were due for a trouncing from the outset.

Manager Killefer received a wire

from the home office last night notifying him that Outfielder Danny Taylor will arrive in time to be available for action in the second half of today's double-header with the Saints.
