Public Health Policies Are Seen as Blow at Rights of Individual.

(Continued from Page One)

of state medicine, is a large and loud-mouthed faction, including many outright 'reds,' which apparently is being listened to respectfully in its vociferous demands for compulsory immunization," Dr. Cooley continued.

"Dictatorship and bureaucratic dominations in matters of health are as dangerous to our liberties and our form of government as they are in business, finance and politics and should be correspondingly obnoxious to the people," he added.

600 Attending Parley

More than 600 chiropractors from all parts of the United States, Canada, Greece, England and Bermuda, have registered for the session.

All officers of the Indiana chiropractors' Association, which met yesterday, were re-elected, and the 1937 meeting awarded to Fort Wayne.

Dr. C. R. Davidson, Portland, is president; Dr. W. H. Gwynn, Indianapolis, vice president; Dr. C. E. Sowards, Bluffton, secretary-treasurer; Dr. C. F. Kaiser, Connersville, and Dr. C. W. Sharp, Indianapolis, directors, and Dr. Harry McIlroy, Indianapolis, delegate to international convention.

Speakers at the Claypool Hotel today and tonight include Dr. Warren L. Sausser, New York, National Council of Chiropractic Roentgenologists president; Dr. A. G. Hendricks, Indianapolis, Lincoln Chiropractic College; Dr. G. W. Will, Chicago, Roentgenologists Council vice president; Dr. Gordon C. King, San Francisco, Roentgenologists Council Research Committee; Dr. Waldo G. Poehner, Chicago, Roentgenologists Council secretary.

Dr. James Slocum, Des Moines; Dr. J. N. Firth, Lincoln College dean; W. N. Montgomery, Chicago; Dr. J. V. McManis, Kirksville, Mo.; Dr. H. G. Beatty, Denver, University of Natural Healing Arts president; Dr. L. J. Steinbach, Pittsburgh, Universal Chiropractic College dean; Dr. L. M. Tobison, Chicago, National College of Chiropractic professor of pathology; Dr. J. S. Burich, Lincoln College.

Dr. Leo L. Spears, Denver, NCA Bureau on Public Information; J. C. Hubbard, Oklahoma City, and W. C. Schulze, Chicago, National College of Chiropractic president.

Dr. Gladys Ingram, Chillicothe, Mo., was to be toastmaster at a noon luncheon of the National Council of Women Chiropractors at the Hotel Lincoln.

NCA counselors were to hear reports of officers at the Hotel Lincoln this morning and other business sessions were to be held this afternoon.

## MOTHER SAVES BABY FROM BLAZING HOME

Times Special

CRAWFORDSVILLE, Aug. 10.—Leal James True, 14 months old, is recovering today from serious burns suffered Saturday when the family home was destroyed by fire.

Aided by her 3-year-old daughter, Barbara, James' mother, Mrs. Donald True, entered the blazing home and rescued the child.

Explosion of a gasoline stove near the baby's crib is believed to have started the fire.

## TOWNSEND LEADER IN CONNECTICUT OUSTED

By United Press

HARTFORD, Conn., Aug. 10.—The founder of the first Townsend club, east of the Mississippi promised today to continue working for the movement although he was ousted Sunday for being a "traitor" to the cause.

He is Mathias Spies, Manchester, who, upon his return from the Cleveland Townsend convention, criticized leaders of the old-age pension scheme and referred to some of them as "racketeers."

## HINDENBURG CARRIES FURNACE TO EUROPE

By United Press

LAKEHURST, N. J., Aug. 10.—The Zeppelin Hindenburg sailed eastward on her twelfth commercial voyage over the Atlantic today with 54 passengers, 285 pounds of mail and 1400 pounds of freight, which included a 1150-pound furnace.

The furnace was billed to Copenhagen, Denmark, but officials would not reveal the name of the consignee nor speculate about why he needed a furnace in such expensive haste.

## LUTHERAN PARLEY TO NAME OFFICERS

Election of secondary officers and boards was scheduled for the closing session of the Evangelical Lutheran synodical conference here today.

Prof. Theodore Hoyer, of Concordia Seminary, St. Louis, Mo., is to speak today on "Modern Church Tendencies" and Dr. J. T. Mueller, also of Concordia, is to discuss "The Glory of Gospel Ministry." No sessions are scheduled tonight.

POP BOTTLE EXPLODES

A high-powered bottle of soda pop exploded in the hands of Lloyd Kinney, 17, of 1717 Bellefontaine, as he attempted to open it for a customer yesterday at the Douglas Park swimming pool. The youth was treated at City Hospital for a cut on the chin.

## PEACE MADE IN WAR OVER QUINS

Dionne and Guardian of His Babies Reach Agreement in Disputes.

By United Press

CALLANDER, Ont., Aug. 10.—Olivia Dionne, now a successful business man, has made peace with the Ontario Provincial government which assumed charge of the quintuplets shortly after their birth two years ago.

Papa Dionne, an embittered, sullen dissenter from the government's act making his daughters wards of the King and preserving for them a fortune of approximately one-half million dollars, met with Welfare Minister David Groll yesterday. Their differences were settled, it was reported, and today Dionne appeared at his refreshment stand beaming and smiling.

Dionne agreed to sell to the government at a nominal cost, property he owned, adjoining the Dafoe nursery. He agreed to remove gasoline pumps he had installed on his refreshment stand property, facing the nursery.

In return, Mr. Groll, chief guardian of the quintuplets under the guardianship act which he wrote, promised to replace three of Dionne's milk cows which died of poison last month and, it was understood, agreed to render the father additional assistance.

The government is supplying Mr. Dionne with electric current for his refreshment which is thriving from the patronage of thousands of visitors.

Mr. Groll said the additional land secured from Dionne will be graded and terraced and the entire hospital property, a rocky waste, landscaped.

## AIDS IN CAPTURE OF AUTO THEFT SUSPECT

Quick work on the part of Don Johnson, attendant at a filling station at 320 W. Michigan-st., resulted in the arrest of an alleged auto thief early today before the owner of the stolen car missed it.

Mr. Johnson telephoned a license number to police after a driver speeded away without paying for gasoline. Six minutes later patrolmen in a squad car sighted the fleeing motorist and, after a chase of 26 blocks, caught him.

The alleged driver of the car, Paul Williams, Negro, 555 Indiana-av., was charged with auto theft. An hour later, police said, Art Sparks, Graylyn Hotel, reported his car stolen and identified the one driven by Williams as his.

## PROWLER TORTURES NORTH SIDE WOMAN

A prowler who allegedly entered a North Side apartment and severely tortured a woman resident was being sought by police today.

The victim, whose name police declined to disclose, reported that she was awakened by the prowler in her bedroom and that he beat her into unconsciousness. Police said the woman was severely cut and bruised.

The prowler entered through the front door of the apartment, which had been left unlocked by mistake, police said.

## LINDBERGH SHOWS MECHANICAL HEART

By United Press

COPENHAGEN, Denmark, Aug. 10.—Dr. Alexis Carrel, of the Rockefeller Institute for Medical Research, and Col. Charles A. Lindbergh presented their artificial heart for study today to the Fourth International Congress of Experimental Cytology at Christiansborg Castle.

The apparatus keeps cells and organs alive outside the body. Dr. Carrel has been experimenting on it for 25 years, and the young flier played an important part in its final mechanical perfection. Col. Lindbergh did not address the gathering.

## ASSASSINATION PLOT REVEALED IN JAPAN

By United Press

TOKYO, Aug. 10.—Minoru Kuroda, 25, was arrested at Fukuoka today, charged with plotting to assassinate Gen. Juichi Terauchi, war minister, and Gen. Kazushige Ugaki, retiring Governor of Korea. It was said that Kuroda was associated with factions responsible for the February army revolt and other incidents. His motive, according to police reports, was objection to recent army re-assignments made by Count Terauchi and the belief that Gen. Ugaki might become powerful politically.

## U. S. BOLSTERS DEFENSE POST

\$20,000,000 to Be Spent on Army, Navy Base at Honolulu.

By United Press

HONOLULU, T. H., Aug. 10.—New projects designed to make Honolulu, the United States' greatest fleet and army base, a more finished, effective defensive outpost will be carried forward at a cost of \$20,000,000 this year.

In a survey completed today the United Press learned that about \$13,000,000 will go to naval projects. Army expenditures are expected to top \$7,000,000.

Along shores where volcanic rock and lava once bombarded any interloper, a terrifying new volcano of big guns, bombing planes, searchlights, rumbling trucks and other war paraphernalia are being readied to explode with destructive force at first approach of an enemy.

Roads are being built over mountains to link strategic centers. Two highway projects on the island of Oahu alone will cost \$1,000,000, and will be primarily for army use.

Minute details are receiving closest attention as the business of giving the protection point 6000 miles of United States coastline a constant overhaul continues.

## SEASON OPENS ON SQUIRRELS

Record Number of Hoosier Hunters Reported in Southern Zone.

A record number of Hoosier sportsmen were expected to inaugurate the squirrel hunting season which opened today in 60 counties of the southern zone.

Increased purchases of hunting licenses from every county in the southern district were reported by officials of the State Department of Conservation.

The law governing squirrel hunting prohibits killing, or possession of more than five animals in a single day; forbids the sale of squirrels except for breeding purposes, and prohibits hunting within one-half mile of state parks.

The current season is the first attempt made to divide the state into two zones. Formerly the state was divided into three zones—southern, central and northern. The change was recommended after a survey by the state conservation committee.

Squirrel hunting in the 23 counties of the northern zone is scheduled to open Sept. 1 and continue for 60 days, ending Oct. 30.

The season which opened today in the southern zone is to close on Oct. 10. Counties in the southern zone include: Marion, Hamilton, Boone, Hendricks, Putnam, Parke, Vermillion, Posey, Vanderburgh, Warrick, Spencer, Perry, Crawford, Harrison, Floyd, Clark, Jefferson, Switzerland, Ohio, Dearborn, Franklin, Union, Fayette, Rush, Shelby, Johnson, Morgan, Sullivan, Clay, Vigo, Pike, Knox, Gibson, Washington, Dubois, Orange, Decatur, Scott, Ripley, Bartholomew, Brown, Monroe, Greene, Daviess, Martin, Lawrence, Jackson and Jennings.
